THE HALIBURTON COUNTY ECHO
AND MINDEN RECORDER

Vol. 100 No. 22 Wednesday, January 27, 1982 'The Voice of the Highlands 14 pages 25 cents

Martin Lumber ends layoff, resumes work

Workers at G.W. Martin Lumber sawmill and lumber yard in Harcourt returned to work Monday.

Poor economic conditions created a slump in the lumber market and forced the second closure of the operation before Christmas. Workers were also laid off for a two-week period in the fall when lumber failed to sell.

Brian Sarginson, general manager at Martin's, said Tuesday the company decided to recall its workers even though market conditions had not improved. The sawmill and lumber yard operations are working with full staff on two shifts while the logging operations are still only staffed 50 to 60 per cent.

Because of a reasonably high inventory of logs already in the mill yard, the company has decided to keep the logging operations working at half capacity in case another lay-off is unavoidable. If the market doesn't improve the mill may be faced with further "down time" in the spring, Sarginson said. He added that there doesn't appear to be any economic relief for the lumber industry in the near future.

Bright sun and cold temperatures have made conditions perfect for creating a sno cross track on Head Lake this week, and event organizer Pat Kennedy, seen here trying out one of the jumps, hopes the good weather will help bring out the crowds needed to make the sno cross a success.

'Provisional' out?

Most councillors favour change, several fear drop in grants, aid

Haliburton County council has yet to reach a concensus on dropping the word 'provisional' from the county's title, despite a lengthy discussion of the matter at a meeting last Wednesday.

Most municipal councils in the county have voted in favour of dropping the term - an anachronism left over from the days of early settlement - but some county councillors remain cautious about the consequences. They fear the move may affect provincial grants, despite assurances to the contrary. And they want more information on what would happen to the Improvement District of Bicroft if the area achieved the full county status in name that it already has in fact.

Dysart et al reeve Murray Fearrey, who suggested the change while he was serving as warden last year, opened last Wednesday's discussion of the issue by reiterating assurances from the provincial government that opting for full county status would not jeapordize grants. He also reminded councillors that Sherborne, McClintock and Livingstone Townships may stand to gain up to $60,000 in additional grants if it can be proven that Lawrence and Nightingale Townships, now part of Algonquin Park, were once under the municipality's jurisdiction.

The only complication with the change centres on the Improvement District of Bicroft. No county in Ontario has an improvement district within its boundaries, Fearrey said, and the district would have to change in one of three ways if 'provisional' is dropped. It could become a village, incorporate as a municipality, or simply be absorbed into Cardiff Township.

The move to full county status is important to the area's future, Fearrey said, because without it, any effort by municipalities to join other areas, such as Hastings in the east or Muskoka in the north west, could force the province to disband the existing county political structure and lump the remaining municipalities in with Victoria County.

Anson, Hindon and Minden reeve Lloyd Walker was not satisfied with Fearrey's explanation of the benefits, and suggested the matter be put off, despite the fact that his council had passed a motion to support the move to full county status.

"I think we should have more information on the pros and cons before we move" Walker said. He suggested that area MPP John Eakins be asked to supply more details.

But neither Fearrey nor Warden Ron Gambell would support Walker's suggestion.

Gambell pointed out that we got from the ministry (of intergovernmental affairs) people, we're not going to gain anything by waiting."

Cardiff reeve Malcolm McGillivray said his council did not support the change because of the problem with the Improvement District.

The wait has been long enough...pg. 4

Walker was going against the wishes of his council, but the Minden reeve replied that he had voted 'nay' when the matter was brought up at a municipal council meeting.

The Dysart reeve challenged Walker and other councillors to justify why they were "afraid to move" on dropping the 'provisional' title.

"Are we not able to call ourselves a county?" he asked.

Lutterworth deputy reeve Glynne Lewis and Stanhope reeve Jim Harrison supported the change.

"Obviously there is no loss in it. There is gain" Lewis said.

Harrison said he could see no reason not to move on the matter. "According to what

"I don't think we should be telling the Improvement District what they should be doing" McGillivray said.

District chairman William Howe said the matter had been discussed breifly at a meeting of the Bicroft board, but that he was unaware of conditions tied to the district if 'provisional' is dropped. He added that if there must be a change, he would like to see Bicroft remain independant from Cardiff and elect its own council.

(At present, representatives in Bicroft are appointed by the province).

In reply to questions about the province's role in the proposed change, Dysart reeve Fearrey stressed that the intergovernmental affairs

Cont'd. page 3

County unhappy with dump study

Terms of reference too elaborate, committee will simplify them

The terms of reference for a county wide dump site study have been sent back to the drawing board because county council felt the terms were too complex.

Council felt the proposed study would be too costly and involved, and wants it pared down to basics.

When council agreed to proceed with the study last fall, it understood that the main emphasis would be on determining the life of existing sites and identifying potential new ones. But the terms of reference outlined at a meeting last Wednesday included site acquisition and road construction costs, an examination of containerization and central disposal, incineration, the handling of local industrial wastes, and the possibility of making dumps a county rather than a municipal responsibility.

The terms, outlined by Ministry of the Environment official Wayne Moore and County Engineer Bill Obee, took council by surprise.

"I'm a little bit taken back by the terms of reference" said Dysart et al reeve Murray Fearrey, who pressed for the study during his term as warden last year.

Fearrey said he understood that the study would concentrate primarily on present and future dump sites, and not on the other items outlined in the terms of reference.

"We seem to be going off on any number of different avenues" he said, adding that the environment ministry must already have much of the information which the proposed study would pay a consulting firm to find out.

"I think we're just doubling our costs on some of these things" the Dysart reeve said.

MOE representative Wayne Moore replied that while the consulting firm council hired would have access to the ministry's information, the facts might not be relevant to Haliburton County.

County Warden Ron Gambell defended the complexity of the terms of reference, saying the feeling was "why not look at these things while we're doing it."

Snowdon reeve Bob Vick did not support the warden's argument, however.

"How in hell did it get so far out of hand before it came to council", Vick demanded to know.

"We haven't moved on this thing at all" Gambell replied, but Vick countered that "somebody's moved" on it.

Glamorgan deputy reeve Bob McCausland wanted to know what had happened in Muskoka, where a similar study was recently completed.

MOE official Moore replied that it brought about no significant changes, other than supporting the closure of two questionable dump sites. Like the proposed Haliburton study, the Muskoka study examined the possibility of making dumps a district responsibility, but concluded that they should remain within the municipal sphere.

Under questioning from council, Moore admitted that the study would only be a first step in dealing with dump sites. If a new site was to be opened, municipalities would still have to hire a consulting firm to complete a detailed site analysis before MOE approval could be obtained.

The duplication of effort struck council as a waste of money. It would not agree to circulate the terms to consulting firms for estimates in the form they were presented.

Anson, Hindon and Minden reeve Lloyd Walker wondered if the proposed study, which would be 50 per cent funded by the MOE, could be abandoned altogether.

"Will not someone come from the ministry to look at sites?" he asked.

Moore replied that it is ministry policy that nothing can be done without a consultant's report.

"If you're going to develop a new site you have to hire a consultant" he said. "We will come and look at it, but we're not experts."

In the end, council decided to send the terms of reference back to the budget committee for redrafting.

Balloon plan set

Business people asked to aid scheme

Haliburton County business people are being asked to help finance a promotional venture involving a hot air balloon. The balloon, acquired recently by Skyline Rides Ltd. of Haliburton, would be flown at 16 shopping malls in the Toronto area over the next few months displaying two 15 feet by 28 feet banners, one promoting the Sky Slider and the other displaying the words 'Haliburton Highlands - Yours to Discover.'

The scheme was unveiled at a meeting Tuesday night - after this paper's press time -but it was outlined Monday in a press release from the Chamber.

Each time the balloon is displayed, a booth would be set up nearby to provide promotional information and material on the Sky Slider and the Haliburton Highlands.

According to the Chamber "the normal cost of having a balloon such as this one operate for promotional purposes is $1000 per day, which would make this program actually worth about $16,000, plus the cost of running the information booth."

However, since Skyline Rides will also be promoting itself through the balloon, "the real cost to the Chamber will only be $8000", according to the release.

The Chamber, however, does not have the necessary $8000, and is appealing to local business people to come up with the funds. Those who pledge financial support for the venture can have their promotional literature distributed through the information booth at the various malls.

"That however, should not be the prime motivator" the Chamber notes in its release. "The directors are convinced that their are enough people in the community committed to seeing it well promoted that they will contribute just to be sure that it takes place."

Tuesday's meeting was expected to include a presentation on the scheme and a demonstration of the balloon.

Week-end of snowmobile racing set

Cross country race, sno cross expected to provide plenty of action

Snowmobilers from across Ontario will arrive in Haliburton over the week-end to compete in a 100 mile cross country race and a 'sno cross' event.

Saturday, up to 50 racers will vie for cash prizes and trophies in the Echo Cup cross country race, sanctioned by the Ontario Snowmobile Racing Federation.

Sunday, the action and excitement of the 'sno cross' event sponsored by Yamaha Canada could draw up to 60 racers.

The Echo Cup cross country race has been run in past years but the sno cross is a new event on the racing circuit, and according to event organizer Pat Kennedy of Haliburton, it is generating widespread interest. Only the second sanctioned event of its kind in Ontario this year, the sno cross will take place on a half mile track on Head Lake. The course includes right and left turns, straight sections and a number of jumps that will send riders and machines hurtling through the air. Speeds are expected to average at least 30 miles and hour on the course, but could reach 60 miles an hour in some sections.

According to Kennedy, sno cross, which is similar to moto cross racing on motorcycles, is catching on with competitive snowmobile drivers because it is uniquely challenging. It is also "an excellent spectator sport" Kennedy said.

The event is run like an oval race, with 10 competitors at a time lining up for five lap heats, but unlike oval racing, horsepower will not be a key factor in determining the winner. Balance, judgement, suspension tuning and the ability to pass other riders on the twisting course will be equally important.

"The skill aspect is why sno cross is gaining in popularity" Kennedy commented. "It seems to be the wave of the future."

Because riders will compete at least twice, spectators will have opportunity to single out favourites and keep track of their progress, Kennedy said.

"It will definitely be more exciting than oval racing."

Riders in Saturday's Echo Cup cross country race will make seven laps of a 15 mile course that begins and ends on Head Lake. An interval start will be used, and time will determine the winner.

An added feature of the cross country event will be a pit stop for fuel at the end of the fifth lap. The pit area will be set up along the unopened roadway adjacent to the lake, giving spectators a good view of the action.

The race has a guaranteed purse of $500, plus an 85 per cent payback of entry fees to the top five riders in each class. The sno cross event will return 85 per cent entry fees in prize money, with trophies donated by Yamaha Canada.

Registration for the cross country race will begin at 9 a.m. Saturday, and the event is slated to get underway at 11:45 a.m. The last rider is expected to cross the line by 3:30 p.m. Prizes will be awarded at the arena at 5 p.m.

Registration for Sunday's sno cross will begin at 9 a.m. Sunday, and racing will get underway at noon. The event is expected to be over by 4 p.m.

Admission will be $3 a day, or $5 for a week-end pass. Included will be draws for merchandise on both days. While barricades will be set up to control admission, spectator cooperation will be a major factor in the event's financial success or failure, Kennedy said.

"Hopefully, people will be honest and realize that this kind of production costs money" he said. "People have got to realize that if they want this kind of thing, they have to pay for it. And I don't think $5 for a week-end of racing is too much."

Proceeds from a dance at the arena Saturday night will be added to admission fees to meet expenses. Cost of the dance is $5 a couple.

A meeting will be held Thursday at 8 p.m. in the arena auditorium for anyone who wants to know more about the races, or who wants to help out over the week-end.

"We still do need helpers" Kennedy said.

Stove inspections worry Lutterworth

Lutterworth township staff have been asked to inspect a wood stove installation, but council is unsure of the municipality's responsibilities.

Councillor Bill Valentine said a township resident needed her installation inspected for insurance purposes, but he questionned if the township was prepared to be accountable in the event of a fire.

While Stephen Fox, by-law enforcement officer, stated the Ontario Building Code provided a section on wood stoves, he was unsure if existing installations as well as new heating appliances should be inspected. Some municipalities do carry out inspections, Fox noted.

Council was skeptical about the inspections, wondering if the responsibility of a fire would revert to the township if the installation had been inspected.

We can't get involved," councillor Al Stott warned. Councillor Bill Prentice echoed the same remark.

Reeve Ron Gambell was concerned that it would be impossible for the township to be responsible for inspect-

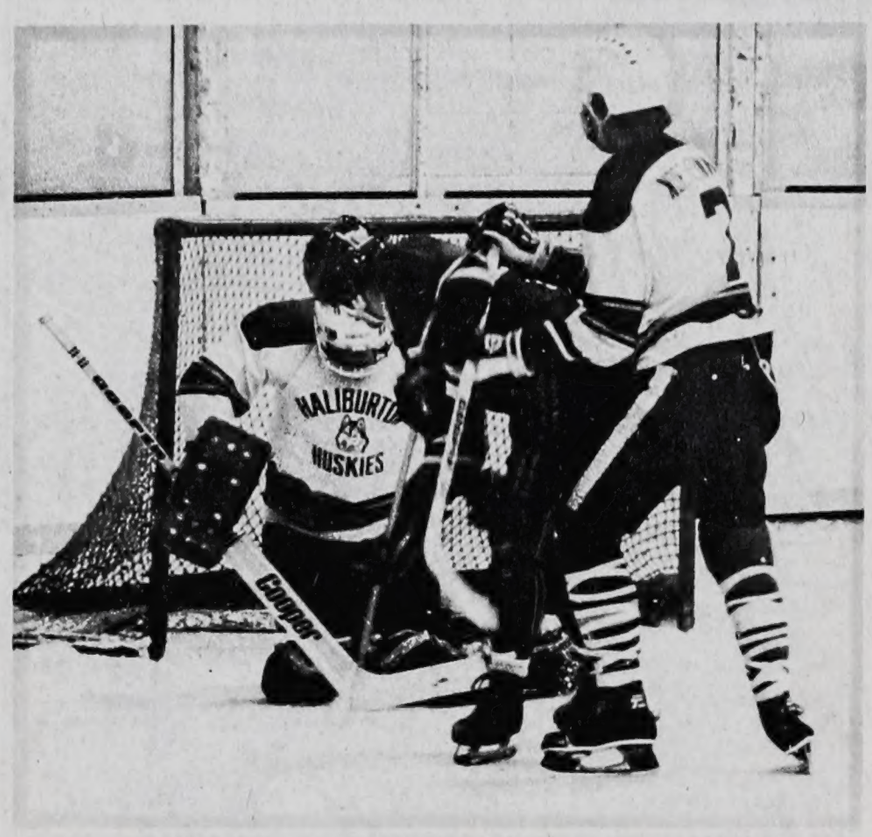
Cont'd. page 2

Lutterworth tough on taxes

Lutterworth Township is getting tough with residents who aren't paying taxes.

Six properties have been registered after owners defaulted in taxes.

Under municipal law, property owners have a year to redeem their property and it is also possible for other interested persons to pay the taxes before the year ends. Along with the back taxes, the townships costs will have to be paid.



Tim Deremo felt the pressures of goal tending against more mature players last week as the Haliburton men's league all-stars challenged a combination team of Huskies and midget players. The all-stars, with all former Huskies players on their team, excepting two, won the match 14-12.

Briefly ...

Youths charged with theft

Four area youths were charged with break, enter and theft after a homeowner discovered the theft in progress.

Police say that when John Stainton, 23, and his wife Cathy arrived at their home on Highway 121 west of Haliburton, last Tuesday night, they saw parts of their stereo system lying in the snow and persons fleeing from the scene.

While Cathy Stainton went to neighbours to phone police, John Stainton picked up a hammer, gave chase and eventually rounded up the four suspects.

By the time police arrived the youths had been herded into the back seat of their car. One had his hands tied behind his back with speaker wire.

Charged with break, enter and theft were Robert Edge, 16, David Lennie, 18 and Michael Hughes, 18, all of Stanhope Township, and Eldon Bull, 16, of Minden.

Juveniles apprehended

Two Toronto youths face charges under the Juvenile Delinquent Act after police apprehended them in West Guilford.

The youths were caught Friday after a Kennisis Lake cottager arrived at his cottage and discovered his snowmobile had been stolen.

Driving to a phone to report the theft, Neil Stanhope caught up with his snowmobile, which was being operated by two young teenagers. He stopped them but was unable to hold on. They managed to reach a car which they had driven from Toronto after 'borrowing' it from one of their fathers, and sped off southbound down Kennisis Lake Road. The pair were apprehended at West Guilford by P/C Wim Magee after Stanhope put in the call to police.

The youths, aged 14 and 15, had been reported missing from Toronto the previous day. A quantity of stolen property was recovered from their car.

Thefts from a cottage on Kennisis Lake and from an underground parking lot in Toronto were cleared as a result of the incident.

The Juvenile Delinquent Act requires that the youth's names not be revealed.

Paper boxes damaged

Six Toronto Star and Globe and Mail paper boxes had their padlocks snipped off last Wednesday. A total of $115 was removed.

Five coin boxes valued at $5 each were taken and a further $25 damage was done to the boxes themselves.

The incident remains under investigation.

Snowmobile stolen

A $3000 Yamaha snowmobile was stolen from Moore's Falls where it had been stored by its owner, Hugh Pancoast of Stoney Creek.

Pancoast, a Black Lake cottager, last saw his machine on January 10.

Minden carnival packed with action

Outdoor competitions compliment parade, dances, other events

by SUE COOPER
Staff Reporter

The red carpets are out as the Minden Kinsmen prepare to welcome visitors to their annual winter extravaganza.

The three fun-packed days of excitement begin at 5:30 p.m. Friday when beauties will be chosen to represent the area at many major carnival functions. Junior, (under 13 at the end of 1981) and senior girls are invited to enter the Carnival queen competitions. All entrants must be single and must provide judges with a brief history of themselves. Three long hours will pass before the lucky girls are crowned.

The Minden carnival bonspiel gets off to an early start as the first rocks will be sliding down the rinks at 6 p.m. The new curling club offers many advantages over the old club, including a warm and cozy atmosphere for spectators to escape the frigid winter weather.

At 7:30 p.m. the Minden figure skating club will delight on-lookers as they perform on the community centre ice surface. The presentation is a lead-up to the opening ceremonies on the ice surface at 8 p.m. While local officials welcome visitors to the area, teen-agers will begin their celebration with a sock hop at Archie Stouffer Public School. Admission is $2.

The Crowe's Nest, a favourite of many carnival goers, will feature the ever-popular "Blue Grass North". Entertainment begins at 8 p.m.

At 8:30 the agonizing tension will end as the two carnival queens will be crowned.

Old rivals will get a chance to battle it out once again when the Minden/Haliburton All Star Hockey tournament begins at 9 p.m.

Although the carnival revellers will be enjoying the festivities past midnight, action begins bright and early Saturday morning.

The Novice hockey tournament commences at 8 a.m. but those late risers don't need to feel neglected as the action continues on the ice throughout the day. Sleigh rides will also tour the area all day long, so don't miss a chance to curl up in the straw with your carnival friend.

At 9 a.m. the curlers will be handing out tough competition as their bonspiel continues all day.

One of the more fascinating events for both participants and spectators is the car races on ice at the fairgrounds. Engines will be roaring and rear-ends sliding as those little racing machines whiz around the glazed track.

Visitors on foot will be given a break from activities as a bus to and from the main street will begin operating at 11 a.m.

Noon time will bring another crowd-drawing carnival parade to the main street. With everyone being drawn downtown, Kinsmen hope eager participants won't forget to register for the many events scheduled for the afternoon at the arena grounds. The snowdeo, snowmobile drags, ladies and men's wrist wrestling all require registration.

In the afternoon the Crowe's Nest will open it's doors again, with entertainment by the versatile disc jockey Tommy Williamson.

People attending Minden's carnival will be some of the first to ride in a hot air balloon recently purchased by Sky-Line Rides Ltd.

Even the least talented spectator will have a chance to prove their athletic prowess in entertaining events like the tricycle races and log sawing competitions near the snow covered tennis courts. Those events begin at 1:30 p.m.

True athletes will be called upon to enter the wrist wrestling competitions, both ladies and mens, in the Crowe's Nest at 2 p.m.

At 2:30 the centre of attention will move outside once again as pole climbing and a tug of war keep those hardy Canadian bodies from freezing solid.

Children's events are scheduled throughout the afternoon.

Supper time comes all too quickly on Saturday but revellers need not feel unprepared as the Annual Carnival supper is awaiting at Carnarvon United Church. Succulent roast beef drenched in tasty gravy will be featured. Supper is served from 5:30 to 7:30 p.m.

Yet another sock hop is scheduled at Archie Stouffer School Saturday night and the fun will continue at the Crowe's Nest as well, when "Blue Grass North" returns for an encore performance at 8 p.m.

It might be worth arriving at the dance a little late to see the Haliburton Oldtimers suit up against the Huntsville Oldtimers. Some of the former stars displaying their hockey talents will be George Nicholls, Stuart Baker, Toni Salvatori, Scott LaRue, Larry Sawyer, Aubrey Percival and Neil Burk. But the hockey players won't be the only oldtimers on the ice as Bill Scott, "Sixty" Coombs and Mark Schell Sr. put on those old striped shirts to referee the game.

When Sunday morning comes, early risers can take advantage of the free public skating from 8 a.m. until 2 p.m. at the arena.

At 9 p.m., after a few laps around the rink, everyone will be lining up for the pancake breakfast in the arena auditorium. After eating your fill why not slip over to the curling rink to watch the competitive play offs get underway.

The excitement continues Sunday as the little ice racing cars fly around that track.

Those all important registrations for the snowdeo and the snowmobile races will begin at 12 noon. Balloon rides will still be available to the adventurous Sunday afternoon and the Crowe's Nest will also be open. Once again the ever popular "Blue Grass North" will be entertaining the crowd until 6 p.m.

At 2:30 p.m. the Haliburton Huskies will take to the ice to meet Huntsville in a Junior 'C' hockey league game.

The Businessmen's Challenge Cup snowmobile race kicks off at the ball diamond at 3 p.m. And for those people who still haven't had enough good carnival food to eat, Dixie Lee is sponsoring a Chicken eating contest at the Crowe's Nest. The antics begin at 3 p.m.

Curling bonspiel trophies will be presented at 3 p.m.

If it's fun, competition, dancing or sports you want, Minden's Kinsmen carnival has a wide assortment to choose from.

Contributions boost gallery

Contributions to the Guild of Fine Arts fund raising effort have reached $15,513, the Guild announcement this week.

New 'Patrons of the Gallery' include Mr. and Mrs. Ronald J. Curry and the Eagle Lake Women.

Recent Friends of the Gallery include G.R. Blake of Waterloo, Mr. and Mrs. Harry Heyes of Windsor, and Handcraft Wools Ltd. of Streetsville owned by Ted and Mimi Carson.

Donations have also come in from Mr. and Mrs. Frank Barnes of Lindsay, Bob Nichol of Haliburton and a number of anonymous sources.

Two grants have been received recently as well, from Dysart et al and the Provisional County of Haliburton.

Wood stoves

from page 1

ing installations because the staff was unaware when residents purchased a wood stove. "If they come in for a (building) permit then we know, but if they don't, we have no idea."

Before a final decision is made on the matter, council agreed to invite newly appointed fire services advisor for the counties of Haliburton, Victoria and Peterborough, Bill Wilson, of Peterborough, to discuss alternatives to municipal inspections.

County council holds meeting

At it's January meeting, Haliburton County Council considered the following matters:

Accounts were approved - in the amount of $40,415.75 for the period ending December 31, 1981, and in the amount of $46,417.61 for the period January 1 to January 19, 1982.

Warden Ron Gambell announced that Deputy Reeve Robert McCausland had been elected Chairman of the Correspondence Committee for the year 1982.

Hyland Crest Senior Citizens' Home Administrator Sydney Brown presented his annual report to Council.

Constable Gary Chapman, Community Services Officer of the Minden Detachment of the O.P.P. spoke to County Council about some of the problems encountered, and requested cooperation of all Councils. He answered questions on various aspects of control.

County Engineer Bill Obee and Environment Representative Wayne Moore outlined discussions to date and presented proposed terms of reference for the Waste Management Study so that they might be studied and be amended or include additions according to desires of County Council.

The Budget Committee will work out the Terms of Reference with the Ministry of Environment to be presented to February County Council.

By-Law 1156, a by-law to appoint a member to the Land Division Committee of the Provisional County of Haliburton was passed.

By-law 1157, a by-law to consent to the passing of a by-law by the Corporation of the Townships of Anson, Hindon and Minden to close, stop up, and convey part of the former Old Twelve Mile Lake Road, in part Lot 13, Concession 11, Township of Minden, was also passed.

By-law 1158, a by-law to consent to the passing of a by-law by the Corporation of the Municipality of Dysart et al to close, stop up and convey a portion of part of Mountain Street North of Lots 7 and 8, Block "B", Registered Plan No. 1, Town Plot of Haliburton, Township of Dysart, was passed.

Murray Fearrey will continue as representative for the Provisional County of Haliburton in attempts to obtain DREE assistance.

Committee reports were presented.

The 1981 Warden, Murray Fearrey, was authorized to sign the 1981 annual petition for subsidy from the M.T.C. for the County Roads Department under the provisions of the Public Transportation Highway Improvement Act.

Forest management brochures will accompany tax bills when these are being sent to ratepayers.

Ingoldsby to get bridge

The one lane bridge on County Road 18 in Ingoldsby may be replaced by a new, two lane structure as early as next year.

County engineer Bill Obee said replacement of the bridge has a high priority with the roads department, but that the timing of the work will depend on budget constraints and property acquisition.

When the bridge is replaced, approaches will also be straightened to improve visibility.

The new bridge will cost approximately $225,000. Provincial taxpayer grants would meet 80 per cent of the cost - the county's normal subsidy rate - with the other 20 per cent coming directly from county taxpayers.

Motors hard to find, police request help

Police will have to continue to search for stolen outboard motors the hard way, despite asking Haliburton County council if it could help simplify the process.

Each year, officers spend days checking serial numbers on stored outboards in search of motors listed as stolen. The task is tedious, time consuming, and only a small proportion of the motors can be examined. But at a meeting last Wednesday, Minden OPP public services officer Gary Chapman asked if council could make the job easier by requiring marinas to record serial numbers of stored motors.

While council supported the idea, it noted that municipalities do not issue marina licenses at the moment, and therefore have no easy means of requiring that serial numbers be kept.

Chapman said most marina operators are cooperative, but because a number of employees are involved, serial numbers are not always recorded on a voluntary basis.

Since municipal council's appeared to have no means of responding to the OPP's request, officers will have to continue the checks by examining motors in storage.

Each year, several stolen motors are discovered and returned to their rightful owners, Chapman told council.

Action like this will be the order of the day Sunday when the first Sno Cross is held in Haliburton. The event, sanctioned by the Ontario Snowmobile Racing Federation, is expected to draw riders from many parts of Ontario.

Briefly ...

$9,000 damage to snowmobiles

Two men suffered internal injuries and broken bones when their snowmobiles collided head on last Friday.

Marvin Sheperd, 22, of Newmarket and Larry France, 28, of Markham, were taken to Haliburton Red Cross Hospital for treatment and later transferred to York County Hospital.

The two were travelling on a trail in Haliburton Forest and Wildlife Reserve in Havelock Township when the mishap occured.

Damage to the snowmobiles was estimated at $9000.

Erratic driving leads to 4 charges

A Minden man was charged with impaired driving, criminal negligence, refusing a breathalyzer test and refusing to stop for police after his truck was observed travelling erratically on Highway 35.

Police say the vehicle sped off and eventually drove into a snowbank on a Minden Township road.

Charged was Kirk Alexander Taylor, age 28.

1941 cruiser on display

A restored 1941 Chevrolet once used by Ontario Provincial Police will arrive in Minden Thursday to take part in the Minden Kinsmen Winter Carnival parade.

The vehicle, dubbed Car 1, will also be on display at the carnival.

Two injured, three collisions

Only three motor vehicle accidents were reported in Haliburton County in the past week. Two people were injured. Minden OPP were also called upon to investigate 53 general occurences, seven break and enters, four parking complaints, and three thefts.

We would be pleased to give you ideas or recommend local tradesmen for your projects.

County discusses new status

from page 1

ministry had made it clear that "the proposal should come from us."

He pressed for action. "The easiest thing in the world is to sit here and do nothing" Fearrey told council. "If this is a step (in the direction of progress) then I think we should be careful but I think we should move."

Warden Ron Gambell agreed. "Let's come of age" he said. "Let's be a county. Why not? Why would we jeopardize the county? We want to see it move forward. If we can get a $60,000 grant up there in Sherborne, why shouldn't we?"

While no decision was taken on the matter, council agreed to discuss it again in February.

A second major concern of council, which may be straightened out at the same time 'provisional' is dropped, is representation and voting. At the moment, 29 votes are spread among 19 reeves, deputy reeves and Improvement District chairman. But the largest municipalities, Dysart, Anson, Hindon and Minden, and Stanhope, which contribute the lions share of the county's operating funds, do not have a majority vote.

Two remedies exist in the Municipal Act. One would see the number of council members adjusted according to assessment, and would eliminate seats for deputy reeves from Cardiff, Monmouth and Snowdon. A second possibility is to eliminate all the deputy reeves' seats and reapportion the votes among the reeves.

Because no councillors were anxious to eliminate any deputy reeves' seats, a compromise was suggested by Murray Fearrey that would see the voting structure changed to give Dysart, Minden and Stanhope fairer representation while still keeping the existing 19 member council.

The plan appeared to meet with council's favour, although no formal decision was taken.

If a change is approved, it would have to be made legal by a special order of the provincial government.

Income tax clinic set

The Haliburton County Home Support Services is sponsoring an Income Tax Information Clinic on Friday, February 12, 9:30 a.m. at the Legion in Haliburton. This workshop is for volunteers and interested citizens to receive expert advice on income tax returns.

The morning program will include a short review of the 1981 Income Tax Returns, a review of Ontario Tax Grants for Seniors, a question and answer period, and a period of time to help volunteers who may require assistance.

The organization hopes volunteers from each community will take advantage of this training to help them provide assistance to others. The clinic is free and everyone is invited to attend. For more information call 457-2941.

Municipality of Dysart et al

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE MUNICIPALITY OF DYSART ET AL TO STOP-UP, CLOSE AND CONVEY A PORTION OF PART OF THE ORIGINAL ALLOWANCES FOR ROAD BETWEEN LOTS 25 AND 26, CONCESSION V AND ALONG THE SHORE OF LITTLE KENNISIS LAKE IN FRONT OF THE ROAD ALLOWANCE BETWEEN LOTS 25 AND 26 CONCESSION V IN THE TOWNSHIP OF HAVELOCK IN THE PROVISIONAL COUNTY OF HALIBURTON.

NOTICE IS HEREBY GIVEN pursuant to Chapter 302, Section 298 of the Municipal Act, as amended, that the Township Council of the Municipality of Dysart et al proposes to consider and if deemed advisable to pass at its regular meeting to be held at the Council Chambers, Haliburton, Ontario on Monday, February 8, 1982, a By-law to Close, Stop-Up and Convey the following:

FIRSTLY:
All that part of the original allowance for road between lots 25 and 26, Concession V and along the shore of Little Kennisis Lake in front of the road allowance between Lots 25 and 26, Concession V, in the Township of Havelock in the Provisional County of Haliburton, designated as Part 1 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-2540.

SECONDLY:'
All that part of the original allowance for road between Lots 25 and 26, Concession V, in the Township of Havelock, in the Provisional County of Haliburton, designated as Part 2 on a Plan of Survey deposited in the Registry Office for the Registry Division of Haliburton as Plan 19R-2540.

AND WHICH SAID parcel or tract of land may be further illustrated shown in heavy outline on a plan of survey by Bishop and Wilson, Ontario Land Surveyors, dated November 21, 1981 and available for inspection at the Township Offices of the Municipality of Dysart et al, Haliburton, Ontario.

AND TAKE FURTHER NOTICE that before passing the said By-law at its meeting to be held at the time and place above-mentioned the Township Council of the Municipality of Dysart et al shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said By-law and who applies to be heard.

DATED at Haliburton, Ontario this 5th day of January, 1982.

Wayne B. Wood, C.M.C.,
Clerk-Administrator.

Snowdon discusses ski trail

At the January meeting of Snowdon Township council, the following matters were considered:

Wayne Wilson and G. Wells discussed with council the cross country ski trails - nature/hiking trails currently being constructed in the Snowdon Community Park under the Canada Community Development Programme and it was agreed that if possible, a site plan for this area should be prepared in the near future.

Council renewed membership in the Ontario Good Roads Association for the current year.

A request from Gary Simmons to acquire trapping rights on the Snowdon portion of the White Lake Road was not granted.

The tender of Francis Walker to snowplough the road from County Road #1 into the park was accepted.

The Ministry of Transportation and Communications will be petitioned for final subsidy payment under the provisions of The Public Transportation and Highway Improvement Act on expenditures made in 1981.

Road Voucher of $7,223.25 for the month of December, 1981 was approved for payment.

Council agreed that the best interests of the County would be served if full county status was to be obtained, provided that such a change would not result in any reduction of grants currently being received from the Province.

Council concurred with the representation on County Council as provided for under Section 27 (1) and (2) of The Municipal Act, R.S.O. 1980, as amended.

The municipality will pay the 1982 dues on behalf of the Clerk-Treasurer for membership in the Association of Municipal Clerks and Treasurers of Ontario.

General Accounts in the amount of $45,484.43 and Social Assistance in the amount of $1,065.60 for the month of December 1981, were approved.

The Clerk was directed to advise Canadian National, in reference to their letter enquiring if the municipality was interested in acquiring Right-of-way lands and/or bridge structures to be left in place now that they had permission to abandon the Haliburton Subdivision Line, that the municipality would be interested in any future discussions relative to these items.

The following by-laws were given three readings, passed, signed and the Corporate Seal affixed: by-law 1/82, a by-law to borrow a sum or certain sums of money from the Canadian Imperial Bank of Commerce; by-law 2/82, a by-law to enter into an agreement with the Victorian Order of Nurses for the year 1982; by-law 3/82, a by-law to amend by-law 3/78 (The Comprehensive Zoning By-law for the Township of Snowdon) by adding a definition of "boarding house" to Section 2 of the By-law.

Township funds HCSA

Lutterworth council has refused to join a new municipal association and will donate its membership fees to the Haliburton County Snowmobile Association.

The snowmobile club asked council to consider a donation because funding from the Ministry of Natural Resources is limited this season.

Councillor Bill Valentine said some ratepayers in the township might disagree with their money being used as a donation for the maintenance of the snowmobile association's trails but reeve Ron Gambell countered that the area will benefit if tourists are offered better trails.

Council agreed to a donation and noted that other municipalities were offering $100. But councillor Al Stott suggested council should attribute the $220 membership fee budgeted for the new Association of Municipalities of Ontario (AMO) to the county snowmobile association.

AMO was created last summer when the Association of Counties and Regions of Ontario, the association of Municipalities of Ontario and the Rural Ontario Municipal Association amalgamated.

Interest up on late taxes

Lutterworth council has increased its interest rate charges for overdue taxes in 1982.

Under a new provincial Municipal Interest and Discount Rates Act 1981, council is allowed to set its rate at the present prime lending rate plus a maximum of one and a half percent. Since the prime lending rate stood at 16½ percent last Thursday when the by-law was accepted, council added an additional one and a half percent to make the chargeable rate 18 percent per annum or one and a half percent per month.

Previously, municipalities in Ontario could charge no more than 15 percent on overdue taxes.

Lost taxes irk Lutterworth council

Having lost one percent of its assessment base as a result of assessment court appeals, Lutterworth Township is seeking provincial government aid.

At its regular meeting last Thursday night, council asked clerk Wayne Hughes to express the township's concern in a letter to regional assessment commissioner Ivor James.

When landowners appealed new assessments created by implementation of section 86 of The Assessment Act, the township lost over $5,000 in taxes. Although councillors thought the chances of receiving assistance were slim, they felt a letter outlining the problem would not hurt.

Municipality of Dysart et al

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE MATTER OF A PROPOSED BY-LAW OF THE MUNICIPALITY OF DYSART ET AL TO STOP UP, CLOSE AND CONVEY A PORTION OF PART OF MOUNTAIN STREET, NORTH OF LOTS 7 AND 8, BLOCK "B", REGISTERED PLAN NO. 1, TOWN PLOT OF HALIBURTON, TOWNSHIP OF DYSART, PROVISIONAL COUNTY OF HALIBURTON.

NOTICE IS HEREBY GIVEN pursuant to Chapter 302, Section 298 of the Municipal Act, as amended, that the Township Council of the Municipality of Dysart et al proposes to consider and if deemed advisable to pass at it's regular meeting to be held at the Council Chambers, Haliburton, Ontario on Monday, February 8, 1982, a By-law to Close, Stop-Up and Convey the following:

ALL AND SINGULAR that certain parcel or tract of land and premises, situate, lying and being in the Township of Dysart, in the Provisional County of Haliburton, being composed of part of Mountain Street, Registered Plan Number 1, known as the Town Plot of Haliburton, in the said township, and which said parcel or tract of land is more particularly described as follows:

PREMISING that the bearings herein are astronomic and derived from the Northerly limit of Lots 7 and 8, Block B, Town Plot of Haliburton, having an assumed bearing of North 68 degrees, 48 minutes, 50 seconds East.

COMMENCING at a point in the Northerly limit of Lot 8, Block B, in the Town Plot of Haliburton, which is distant 46.61 feet measured Westerly thereon on a course of South 68 degrees 48 minutes 50 seconds West from the North Easterly angle thereof; Thence continuing South 68 degrees 48 minutes 50 seconds West along the Northerly limit of Lots 7 and 8, Block B, A distance of 96.62 feet;

THENCE North 18 degrees 23 minutes West, 4.72 feet;

THENCE North 71 degrees 37 minutes East, 96.51 feet to the Point of Commencement.

WHICH SAID parcel or tract of land may be further illustrated, shown in heavy outline on a plan drawn by Paul Wilson, O.L.S., dated December 15, 1981, and available for inspection at the Township office of the Municipality of Dysart et al, Haliburton, Ontario.

AND TAKE FURTHER NOTICE that before passing the said By-law at its meeting to be held at the time and place above-mentioned the Township Council of the Municipality of Dysart et al shall then and there hear in person or by his Counsel, Solicitor or Agent, any person who claims that his land will be affected by the said By-law and who applies to be heard.

DATED at Haliburton, Ontario this 5th day of January, 1981.

Wayne B. Wood, C.M.C.,
Clerk-Administrator.

COMMENT

EDITORIALS

Why wait?

Haliburton County councillors may be forgiven for championing that most political of virtues, caution, but there are times when too much caution becomes a burden to progress. And in the matter of moving from a 'provisional'' county to one with full status, sensible caution is perilously close to becoming unreasonable delay.

It is measure both of the county's growing sophistication and of the pace of its progress that after 115 years, it is poised to attain the status that every other county in Ontario enjoys. The area became a defined county in 1867. The word 'provisional' was added to its title because it had neither the population nor the resources to provide the services expected of counties in the rest of the province. But Haliburton County, as most people already call it, has long since outgrown its tentative beginnings. Today, despite its economic problems, the area provides the same services to its citizens that they would enjoy in any other rural area of Ontario. The province has long considered Haliburton a full fledged county in fact if not in name, so it would seem that dropping 'provisional' is more a matter of housekeeping than of momentous change.

Yet some county councillors remain hesitant to usher in a new maturity in municipal politics. They fear that some dark consequence lurk around an unseen corner; that the province may be trying to dupe the county into adopting full status so that grants can be cut.

The fact is, however, that Haliburton enjoys no special concessions by virtue of its 'provisonal' status, so there is nothing that could be taken away. Nothing except the vague stigma of a name that implies it is something less than a county.

There are, of course, some minor complications that must be worked out. The Improvement District of Bicroft will have to change if the county achieves full status. But Bicroft's situation is a matter that should not concern the county. It will have to be decided in negotiations between members of the district's board and the province which appoints them.

County council has had ample opportunity to question the move to full county status, and it has had ample proof that the change will do nothing but good. At its February meeting, council should stop vacillating and start asking the province to approve a new status for the area.

After 115 years, its certainly time.

Too much

If local taxpayers had sat in on county council's meeting last Wednesday, they would have echoed council's dismay over a proposed dump study. When council opted for the study last fall, after rejecting it earlier, it thought it was approving an examination of present and future dump sites. Instead, it discovered that terms of reference at industrial waste disposal, containerization, incineration, and jurisdictional concerns. Fortunately, council rejected the terms of reference and decided to draft new, simpler ones. But the fact that the MOE would bring forward such complex terms of reference is indicative of how excessive the government's reliance on consultants has become.

Waste disposal is an important matter, and it can no longer be left to chance, or to the whims of municipal politicians who know nothing about water tables, leaching, geological structures, and a host of other technical considerations. But the environment ministry should not expect the public to pay for studies that merely duplicate information already available from previous studies, or that try to estimate such intangibles as the cost of developing a road to a new site 20 years from now. And that is especially so, given the fact that the MOE requires a second consulting study for the development of individual sites.

Taxpayers may also have been dismayed to learn that MOE officials responsible for policing waste disposal sites in area municipalities "are not experts", according to one who attended last Wednesday's meeting.

If they're not, they should be. Since taxpayers are footing the bill for a burgeoning civil service, they have a right to expect those civil servants to supply needed information without resorting to private consultants.

Reader supports forest management

to the Editor

To the Editor:

Your article in the recent Echo, headed "Forestry Worries Council" spurred me into writing my first letter to an editor.

Why must conditions in many departments of government become critical, often disastrous, before public opinion demands action be taken to change or improve?

My background in the forestry and lumber business, I believe, causes me to have a more enlightened or sensible attitude toward what is happening to our forestry resources, than when I was younger and making a living in the industry. As an officer in the Canadian Forestry Corps in Scotland, then France, Belgium, and after the war in Germany, my eyes were opened to what these countries have experienced and what lessons we may learn from them.

When you or I fly over our Haliburton County we see below us a beautiful green carpet, and we think what a beautiful and great resource still remains for our future generations. When we return to earth and take a stroll through our bush, what do we find? It disappoints us to find large areas of cull bush, scrub, poor timber slowing and inhibiting growth of valuable species of timber. Where Haliburton was once a gold mine of great white pine and useful young valuable hardwoods, we are wasting good forest land with poor timber, lack of control and supervision, practically no reforestration - wasting a resource.

The government agency, Ministry of Natural Resources, is now operating on a limited budget. Haliburton could well be a logical location for an area designated as a demonstration area of future planning and forest wealth. Future generations should look back and be proud of our efforts, rather than condemn us.

I feel our Reeve of Dysart, Murray Fearrey is to be congratulated on taking a first step toward some control, and sound future planning.

Sincerely,
Tom Stinson,
Haliburton, Ont.

To the Editor:

I've a remedy, which I feel, could reinstate the popularity of minor hockey and almost eliminate travel costs: establish a new league with the following guidelines:

Instead of a team in each town of all same-age players, have several teams of mixed-age players. At the start of the game the 7 and 8 year old line is iced. At a 3 minute buzzer the 11 and 12s. This rotation would repeat all through the game.

This system would create several teams in each community who could play each other on a competitive basis. There would be enough teams in just Minden and Haliburton to have a varied and successful league. In addition, members of the same family could all be on the same team making things much easier on their families.

If a competitive team was desired to play in an out-of-town tournament then a town could simply select same-age lines from several of its teams to form one representative team.

I hope persons involved in minor hockey throughout the County will take a long look at this concept. As father of a boy who has played in minor hockey for over 10 years I look back fondly at the benefit he has derived from the game and at the enjoyment it has provided to his family. It would be a shame to see hockey get priced right out of existence. I think this system would save it.

A little skepticism can be a good thing

Editor's Notebook

by LEN PIZZEY

At the risk of being labelled a cynic, I can't help but express my concern over the local Chamber of Commerce's apparent whole-hearted acceptance of and support for a scheme to advertise the county with a hot air balloon. The balloon, purchased by Skyline Rides Ltd. will be sent to some 16 shopping centres in Toronto to promote the Sky Slider Ride, and, if local people are willing to foot the bill, the county of Haliburton as well. On the face of it, the scheme seems reasonable enough. Anything that gets the message to people in the city that Haliburton is a good place to visit will be a boon to the local economy, or so goes the reasoning.

But there are complications. In the first place, Haliburton County needs more and better accomodation before it needs more people. Most resorts are already full in peak season, and it seems unlikely that a hot air balloon, banners and promotional literature will do much to get people here in the shoulder seasons.

The second, and more significant complication, is the cost. According to a release from the Chamber, renting a balloon for the same purpose would cost $1000 a day, and since 16 appearances are planned, the Chamber will get the benefit of $16,000 worth of promotion for a 'mere' $8000. And, of course, since the Chamber has no money, local people with big hearts and wallets to match will be asked to hand over the $8000.

It all seems a little too costly and just a little too slick. It may be that there is good value in the

Feir Play

Creighton Feir

The spotlight this week-end will be shining on the village of Minden when the Kinsmen Club of Minden with the cooperation of the various organizations and the people of Minden area will be presenting the 1982 version of the Minden Kinsmen Winter Carnival. Months of planning and preparation have gone into making sure that this big winter event will be a success and without a doubt this should be one of the biggest and best winter carnivals in the history of the village of Minden. The citizens of Minden are beginning to get excited as the big week-end draws near. If you are planning on attending this year's big event, here are just a few of the many exciting activities in store for you: curling bonspiel, figure skating, carnival queen contest, parade, hockey tournament, parade snowmobile drag races, snowdeo, snowmobile safari, hot air balloon rides all day, pole climbing, log sawing, childrens events, tug of war on ice, ladies and mens arm wrestling, Junior C OHA hockey game, broomball and many other features too numerous to mention for your enjoyment. It all adds up to a week-end that promises to supply plenty of good old-time winter fun and frolic. Why not plan now to take along the entire family to this winter extravaganza.

Nick Beverley, 34 and 11 seasons an NHL defenceman with Boston, Minnesota, Colorado and Los Angeles, has been named to succeed Don Perry as coach of the American Hockey League New Haven Nighthawks. Beverley was an assistant coach with the Kings when Perry was elevated earlier this month to coach the NHL club. Nick Beverley is well known in the Haliburton area having built himself a home here where he spends most of his summers and keeps in shape as one of the instructors at the Haliburton Hockey Haven. Bernie Nicholls at the present time is also playing hockey at New Haven.

The Rotary Club of Haliburton reports that they now have two new members, Paul Dawson and John Sutherland who were both inducted into the club recently. The local club's outgoing student is Dana Colliver, a 16 year old grade 11 student at the Haliburton Highlands Secondary School. Dana is the daughter of Bob and Jean Colliver of Donald. To all those who might not know Cliff Dawson has returned home following his operation and stay in a Toronto hospital. We hope to see him out and around once again.

It's always good news when we hear of a former local girl who has moved to another centre and made good. Such is the case of 19 year old Susan Moore, daughter of Mr. and Mrs. James Moore of Powassan and formerly of Haliburton. A few short months ago Susan Moore was enrolled at York University in Toronto hoping that some day she would get the opportunity to fulfill a life-long dream of becoming a professional skater. The call finally came, just a couple of days after returning home for the Christmas vacation. It was then that she received word that she was to join the world professional Ice Follies December 27 in Philadelphia. The Ice Follies tour takes her, among other places, to Boston, Buffalo and Florida. Her friends here in Haliburton can catch her at Maple Leaf Gardens when the ice show comes to Toronto. Susan joined the group on December 27 and according to her mother Lynda, was skating in the show the next day. She skated with the Powassan Figure Skating Club since she was a small girl and began skating with the North Bay Club since she was 13. Susan graduated from Almaguin Highlands Secondary School last spring. Susan's parents Jim and Lynda are both former residents of Haliburton with Lynda being born and raised here. We joined their many friends in Haliburton in wishing Susan the best of luck in her new career and we all look forward to her becoming a star in the Ice Follies.

Allan Bagg of Eagle Lake was telling me just the other day that one day recently when he was driving along Highway 11, he noticed that the sign stating Highway 118 had finally been changed from Bracebridge and Vankoughnet to Bracebridge and Haliburton. It's taken a great deal of time and work on the part of a great many people to get this change made.

We understand that Spinning and Weaving group of the Haliburton Guild of Fine Arts are looking for space to accommodate a 100 inch floor loom for the period of a year in either Haliburton or Minden. If you know of a location please get in touch with the Haliburton Guild of Fine Arts.

The 1982 Echo Cup Snowmobile Races are all set for Haliburton this coming Saturday and Sunday, January 30 and 31. On Saturday it's the Echo Cup Cross Country Snowmobile Race and on Sunday the Yamaha Sno Cross. On Saturday night you are reminded of the checkered flag dance to be held in the Haliburton arena auditorium. They are being sanctioned by Ontario Snowmobile Racing Federation and sponsored by Yamaha Canada Ltd. and the Haliburton County Echo.

I have been asked to announce that a very interesting film "Russia and the coming Holocaust" will be shown this coming Sunday evening, January 31 at 7:30 p.m. at St. George's Anglican Church Parish Hall at Haliburton. The film asks the questions Is Nuclear War inevitable? and how is this related to the fate of Christianity in the Soviet Union?

When you are keeping dates in mind don't forget Saturday, February 6, that's the day for Snowarama. Now is the time to pick up your pledge sheets and get them filled in before the big day arrives. All proceeds go to the Easter Seal Society to be used for the rehabilitation of physically disabled children in Ontario.

VIEWPOINT

Pic of the Past

It's been a great many years since the first Minden Kinsman Winter Carnival was held in the village of Minden. This coming week-end Friday, Saturday and Sunday, January 29, 30 and 31 it's on once again with winter fun for everyone. In the early years of the Minden Winter Carnival the beaver skinning contest was one of the outdoor attractions. Shown in the photo on the left is the late Wally Scott, father of local M.P. Bill Scott timing Jim Minto as he uses his skill in skinning a beaver.

Serendipity

by SUE COOPER

Another carnival queen contest approaches. Whoopee! Condemnation of the Minden Kinsmen club for sponsoring the event may seem justified, but it would do little to erradicate the double standard promoted by countless, if not all, male-oriented organizations.

Carnival queen contests, a traditional opening event for many county festivals, can be subjected to the decade-old feminist complaint of beauty carrying more weight than intelligence. At least the Kinsmen require each young woman to prepare a brief background story. The importance of well-written, informative stories, including a contestants accomplishments, on the final outcome of the contest, is unknown to all but the judges. It is to be hoped they merit at least as many points as those attributed to the beauty and appearance.

Other than the degrading aspect of females being judged in such an archaic fashion, the existence of beauty contests is an unfortunate statement about life in the Highlands. At carnvial time women have the choice of winning a silly crown complete with red velvet cloak adorned with fake white fur or they can prove their prowess at wrist wrestling. Even the wrist wrestling contest is not without its limitations for women. However, while men are segragated into weight divisions, women are left to battle, on a bar room stage, surrounded by stifling smoke, in an open category. No heed is taken of the weight inadequacies that obviously contribute highly to the championship. A 165 pound man would not be asked to wrist wrestle against a 200 pound competitor.

The fact is that women in Haliburton County do not have the opportunity to compete fairly for personal accomplishments. In 1982, after many male dominated circles have been broken by feminists, inadequacies still thrive here.

From an early age, females are groomed to fit the mold of their predecessors. They are encouraged to join figure skating clubs, wear glittering dresses and not let their desire to compete over-ride their grace and composure. They are enticed to enter beauty contests to be judged against their peers. Later, when they're mature, they can join women's softball clubs, where they can all compete together. There will be no integration of the sexes. No mixed teams for recreation.

Even minor hockey, as it struggles to survive with changing lifestyles and inflating gasoline prices, has not allowed females to play within the league. Although one local girl, Marla MacNaull was able to break into the all-boy ranks in Haliburton village because of her athletic abilities, others have never had the chance. It might be argued that they do not have the talents or abilities but those short-comings could be eliminated by encouraging girls to enrol at an early age. Anyone who has ever witnessed young boys learning the skills of hockey can attest that there are few inborn talents. Especially now that body contact has been eliminated for young players there should be no threat of damaging those frail little bodies.

The commercial course at the high school encourages students to participate in "work week". And what taste of the business world do these young women get? Are they privy to important business procedures. Do employers explain the basic, but all important, tactics to becoming a successful business person? No. The students are, for the most part, addressing letters and licking stamps. What an enlightening week in the business world.

The business world in Haliburton County has only a handful of successful women for girls to emulate with. There are few women in municipal politics. Most fill the traditional roles. Presumably there is nothing wrong with becoming a housewife, a mother and when the children are grown, taking a low-paying, non-gratifying job. It is acceptable if that is your only dream in life. If that will make you happy. But young women should not be molded to that end. They should be given the choice of greater opportunities. They should be encouraged to develop every talent they have. There should be a place in the business communities of the county for them to be successful.

And it is not only the short sightedness of men but women too, that limit future generations of females. These young women can be a ticket to a sound business core and an enriched community life.

Young women should not be relegated to smile beautifully and wave jauntily from the back seats of cars in small town carnival parades.

Editor's notebook

from page 4

money. But local business people are likely to be a lot less enthusiastic about the scheme than is the Chamber, which sometimes seems so desperate to get its message across that it will jump at any scheme that comes along. Especially if it doesn't have to foot the bill.

Hockey tournaments boost tourism

From the Chamber

by Bob Stinson

Haliburton County, this week-end played host for the fourth time this winter to 16 teams of youngsters attending a hockey tournament. Each of these tournaments brings in about 300 parents along with their budding young hockey stars and is a major boost to our Tourism economy on otherwise "soft" week-ends. A major plus also is the fact that they are not dependent on the weather to be successful and hockey parents seem determined to get through any kind of weather to be here to compete.

A lot of people put a lot of work into making these events successful and we should make it a point to let them know it is appreciated. Among those who deserve our thanks are the many families who bilett players for the week-end. With our small population base it is no mean feat to locate over fifty households willing to take on a couple of extra youngsters for that period of time and it speaks very highly of our community spirit that they have been able to do so.

So --- let's hear it for the volunteers.

One more Human Right lost

That Constitution our country was so excited about passing a few months ago may be a step in the right direction but one has to question what rights it may give us when so many are being taken away. The latest one to be brought to light was the fact that according to the Post Office it is illegal to deliver our own mail.

There are two things we find incredible about this. First of all it is unbelievable to think that such a law exists and is enforceable in a so called democratic country such as ours, and secondly that we seem to be prepared to accept it. If we, as Canadians, don't begin to show a little more indignity about having our rights removed one by one the Marshall Law we see taking place in Poland is not an impossibility here.

Five Memberships in One

Our office is presently preparing the membership list for Central Ontario Travel Association which will appear in their 1982 Directory. It occurred to us that all our members may not even be aware that when they purchase a membership in the Chamber we in turn submit $7 each to C.O.T.A. to enrol them as a member of that organization. This entitles them to all the benefits of full membership including a new subsidized advertising program that is being prepared for the coming year.

Another $1.50 per member goes to the Ontario Chamber of Commerce which provide us with a great deal of provincial communication and on top of that, this year we have also become members of the Ontario Associaton of Convention Bureaux. Now add to that the new arrangement that provides members the opportunity to direct their membership dollars into either the Chamber's or the new Tourist and Convention Bureau budget. Your membership in the Chamber now provides you with a total of five organizations specifically working on your behalf.

Incidentally, anyone wishing to join C.O.T.A. directly may do so for $50 and up, but buying a membership in the Chamber and having us do it for only $7 is a bargain of a lifetime.

With the Minden Carnival kicking off this Friday it begins over a month of special activities which will enhance our winter Tourist Season and provide a good time as well. Here is a brief run down on what's coming up:

Jan. 29, 30, 31 - Minden Winter Carnival sponsored by Minden Kinsmen Club at Minden Arena and Fairgrounds. Contact Rob Young 286-1584.

Feb. 6 - Whipper Watson Snowarama is held in Haliburton and Minden. The Rotary Clubs of these villages sponsor this event. Contact Lionel Walker 286-2101.

Feb. 5, 6, 7 - Highland Mixed Curling Bonspiel at Haliburton Curling Club. Contact Linda Beachli, 457-2937.

Feb. 13 - Stump Jumpers' Snowmobile Rally and Dinner organized by the Gooderham Recreation Committee. Contact Bob McCausland, 447-2736.

Feb. 19, 20, 21 - Haliburton Winter Carnival organized by the Haliburton Rotary Club and held in Haliburton Village. Contact Art Dawson, 457-2411.

Feb. 20 - Haliburton Highlands Sanctioned Cross Country Ski Tour sponsored by the Haliburton Cross Country Ski Club and L.K.T.A. Contact Deer Lodge, 457-2281.

P.S. - Don't miss seeing the new Skyslider Hot Air Balloon at the Minden Winter Carnival.

SPORTS

Amy Hogg, president of the Lake Kashagawigamog Tourist Association presented the 'A' grand championship trophy to team members of the Hillcrest Summits. The team also won the 'A' consolation championship match.

16 teams drawn to tourney

Leaside and Hillcrest win grand championship matches

Hillcrest and Leaside were the grand championship teams in the Lake Kashagawigamog Atom Tournament in Haliburton village this week-end.

Hillcrest won the 'A' grand championship, shutting out Stouffville 4-0. Hillcrest pocketed four fast-paced goals in the first period and Stouffville was given few chances to retalliate.

Leaside took home the 'B' grand championship trophy after edging by Erindale 2-1. Neither team relented throughout the contest and the game was tied 1-1 until the third period when Leaside got a break. Erindale never lost hope as the goalie raced to the players' box with the last second clicking off the clock. Leaside broke away from the six-man platoon and only a daring dive by an Erindale defenseman saved the team's hope of a tie. Erindale's hopes were cut short by the clock.

Tournament action began Friday when Mississauga was beaten by Cooksville 6-0 in the 'A' division, Stouffville made it's move toward the championship with a 4-2 win over Royal York, Oakville made a 6-3 lead over York Mills count and when first round action concluded Saturday morning, Kingston won over the future grand champion Hillcrest team 2-1. Kingston took the victory in an overtime shoot out.

As Stouffville moved on in championship play, the team guaranteed it's place in the 'A' championship match by defeating Cooksville 4-3. Kingston also made the championship grade by trouncing Oakville 8-1. But Kingston was not given an easy victory in the championship match against Stouffville. Stouffville won 5-3.

In 'A' consolation play, Royal York walked over Mississauga with a 10-4 victory and the stage was set for the consolation championship as Hillcrest defeated York Mills 4-1. Hillcrest won the consolation championship in an easy 4-1 match over Royal York.

With confidence building wins behind them Stouffville and Hillcrest met in the 'a' grand championship match. Hillcrest won 4-0.

In the 'B' division of the tournament Haliburton faced off against Uxbridge Friday afternoon, Uxbridge put the first marker on the scoreboard at 6:54 of the first period. Haliburton wasn't to be stymied as Jeff Francis scored 22 seconds later. Darren Byers and Jason Smith set up the scoring play.

With the game tied, Haliburton pushed on as Steve Prime scored unassisted at the 6:28 mark in the second period. The game was tight for the remainder of the game and with a penalty in the final two minutes of play Haliburton was short-handed at a crucial moment. Uxbridge couldn't muster the strength to tie the game and Haliburton turned the power play around by scoring short-handed with only 48 seconds remaining. Philip Johnston pocketed the puck after a well-executed pass from Francis.

Francis and Prime were stars of the game for the Haliburton team.

In other first round play in the 'B' group, Leaside and Erindale met in their first match of the tournament. (The teams later met in the 'B' grand championship match). In this first contest Leaside won 3-1. Markham beat Toronto 3-1 and Ottawa out-classed Sharon 5-2 in the other first round matches.

In the 'B' championship play, Leaside put Haliburton out of the tournament in a 4-1 decision. Haliburton gained confidence early in the game as Francis scored on Prime's pass as two minutes passed in the first period. Leaside tied the game at 7:21 of the same period and never gave the Haliburton team a taste of victory. Leaside scored two goals in the second and a final marker in the third period. Philip Johnston was named the star of the game for Haliburton.

In another bid for the right to play in the championship match, Markham ousted Ottawa 4-0.

Markham and Leaside both carried strong wins with them into the 'B' championship but Markham couldn't make the grade. Leaside won 6-1.

In the 'B' consolation round play Erindale defeated Uxbridge 2-1 and Toronto edged by Sharon 6-5. Erindale won the 'B' consolation championship with a stunning 9-2 victory over Toronto.

Fate defeated Erindale in the 'B' grand championship as the old foe Leaside emerged victorious. As in their earlier match, both teams showed keen hockey skills but Leaside made the scoring opportunities count. The final score was Leaside 2, Erindale 1.

Tournament awards for outstanding players were also awarded with championship trophies on Sunday afternoon. In the 'A' division, awards were presented to best goalie: Scott Evans, Stouffville; best defenseman: Ryan Hollyman, Hillcrest; best forward: Darron Baston, Stouffville; most valuable

Cont'd. page 7

Ron Yake first Huskie to score 101

Ron Yake, captain of this year's Haliburton Huskies, has become the first player in the team's history to score more than 100 points in a single season.

Yake garnered three assists in two games over the week-end to push his point total to 101. In 31 games, the Huskies' star centre has netted 39 goals and assisted on 62 others.

Yake's accomplishment was the highlight of a week-end in which the Huskies played hard but failed to get by Midland and Parry Sound.

Two other Huskies have also amassed impressive scoring statistics this year. With 11 games left to play in the regular season, right winger and assistant captain Tim Davies has netted 38 goals and 52 assists for 90 points.

Dave Nicholls, a left winger who has skated in only 24 of the Huskies 31 starts, has 36 goals and 44 assists for 80 points.

The three have provided the bulk of the team's scoring punch this season, but they couldn't drive in as many as the team needed to come out ahead in the week-end's matches.

Friday the Huskies were on the road against Midland, and they lacked a little of the fire that has kept them in contention for much of the season.

Midland netted two goals in the first period and four in the third while the Huskies could manage only three, two in the second and a single in the third.

Midland's first goal came at 2:29 of the opening period, and they followed it up with another 34 seconds later while the Huskies were shorthanded.

The Huskies got their defensive effort together for the rest of the period, and in the second, they staged a rally that tied the score.

Dave Nicholls' goal at 5:50 of the period put the Huskies back in the game, and at 13:50, Shaun Chapman evened things up.

Assists on Nicholls' goal went to Yake and Davies, while Scott Arbuthnot and Corey Walker helped out on Chapman's marker.

Momentum remained with the Huskies in the early going of the third period, and Nicholls capitalized on a passing play from Davies and Duff Mitchell at 3:56 to give Haliburton the lead.

But it was as close to victory as the Huskies could come. At 5:38 of the period Midland tied the score, and they stormed back to net three more before the buzzer sounded, the last on a power play.

Final score was Midland 6, Haliburton 3.

The Parry Sound Shamrocks were in Haliburton Saturday night, and despite the support of the local fans, the Huskies still could not net enough goals to win.

Tim Davies opened the scoring at 6:01 of the first period, assisted by Nicholls and Yake, but Parry Sound tied the score with 46 seconds left on the clock.

The teams stayed even in the second period, when the Shamrocks gained the advantage at 5:57, and Ed Roberts answered for the Huskies at 11:56 on a power play. Assisting Roberts were Darrin MacInnes and Chris Hodgson.

Parry Sound took the lead at 2:35 of the third, but the Huskies roared back to even things up again at 2:52, this time off the stick of Kevin Shapiera, assisted by Chapman.

The visiting team regained the lead at 9:30 and once more the Huskies fought back to tie the score, netting their fourth goal at 11:27. Nicholls was the marksman, assisted by Yake and Davies.

The Huskies did all they could to get back out in front, but it was to no avail, as the visitors took the lead at 16:07 and added an insurance marker at 17:15.

Haliburton players were called for only four minor infractions despite their frustration around the net, while the visitors commiteed just five minor offenses.

Final score was Parry Sound 6, Haliburton 4.

The Huskies will be hoping to get back on track this week-end as they travel to Gravenhurst Friday night and meet Huntsville in Minden at 2:30 Sunday afternoon.

Dysart et al reeve Murray Fearrey presented Leaside players with the 'B' grand championship trophy during the LKTA tournament, Sunday. Leaside also won the 'B' championship game.

The Scoresheet

Minden Novice played in Oakwood Friday, January 22.

Final score was Minden 5, Oakwood 5.

Robbie Ackerblade scored 4 goals and assisted on the other by Randy Bull. The boys did well as Oakwood has not lost a game this season and this was only their second tie.

The Novice team host their annual tournament this Saturday, January 30 starting at 8:00 a.m. with a game against Fenelon Falls.

Minden Atoms played in Minden Thursday, January 21 against Haliburton.

First period: No scoring.

Second period: :59 - Haliburton's Greg Scheffee scored from Jeff Francis; 8:16 - Greg Scheffee scored from Francis and Steven Prime.

Third period: :31 - Minden's Scott Russell tallied from Jay Hughes; 1:10 John Vuksic scored unassisted for Haliburton; 4:05 Haliburton's Kelly Youngdale connected from Vuksic; 4:55 Steven Prime tallied unassisted; 8:29 Philip Johnston scored from Youngdale to round out the scoring for Haliburton.

Final score was Haliburton 6, Minden 1.

Minden Bantams played in Minden Thursday, January 21 against Haliburton.

First period: no scoring.

Second period: 5:09 Tran LaRue scored from Paul Kuno for Haliburton.

Third period: 4:30 Mike MacNaull scored unassisted; 6:19 Paul Kuno scored from Mike McInnes; 9:28 Corey McKnight tallied unassisted.

Vince Duchene recorded the shut out. Penalties: Minden 14 minutes, Haliburton 8 minutes.

Final score was Haliburton 4, Minden 0.

The team played in Minden Saturday, January 23 against Woodville.

First period: :41 Greg Newell scored from Jeff Howe and Paul Aggett; 6:57 John Ballantyne connected from Mike Gorveatt.

Second period: 10:05 Woodville scored on a

Haliburton score 5 goals, get 41 penalty minutes

The players were on the ice for 45 minutes and off it for 99 minutes last Thursday in Bobcaygeon when the Haliburton Midgets faced off against their rivals from that community.

Haliburton won on the ice, and, although it mattered less, in the penalty department as well, scoring 5 goals and amassing 41 minutes in penalties. Bobcaygeon managed only one goal but slashed, high sticked and fought their way to an ignominous 58 minutes in the box.

It was the final league game for the Midgets, who have lost just two matches all season, to Woodville and Fenelon Falls, both of whom they also defeated in other season matches.

The first period was a relatively tame affair, with Haliburton moving into a two goal lead. Both came off the stick of Kevin Warburton, who was to score all five of Haliburton's markers.

Play deteriorated in the second period, as both teams were repeatedly called for holding, elbowing, high sticking and roughing infractions.

The first goal of the period came at 2:49 moving Bobcaygeon to within one of Haliburton. But Warburton added another at 9:21 with help from Bernie Upton.

The melee continued in the third period and resulted in game misconducts to Haliburton's Scott Mitchell and two Bobcaygeon players.

Warburton's two goal effort in the period capped the hockey action, giving the local Midgets a win to round out the season.

Playoffs are expected to begin next week. A schedule of games has not yet been set up.

Tourney

from page 6

player: Steve Page, Kingston.

In the 'B' division, awards were presented to best goalie: Mark Galloway, Erindale; best defenseman: Dave Wargo, Erindale; best forward: Billy Anderson, Leaside; most valuable player: Colin Graydon, Leaside.

Toronto - Ted Reeve Minor Hockey Association was named the most sportsmanlike team in the tournament.

The Haliburton Tyke hockey team are sporting new sweaters these days thanks to the Haliburton Rotary Club. Here club president David Bishop and team coach John Parish display a sweater in front of a happy Jeff Black, who was one of the first players to try on the blue and white colours.

The Scoresheet

from page 6

power play; 12:45 Greg Newell scored from Jeff Howe and Mike Gorveatt on a power play with Woodville being two men short.

Third period: 1:33 Jeff Howe scored from Paul Walker; 5:32 Woodville scored on a power play with Minden two men short; and at 7:26 Woodville connected on a power play.

Andrew Burk was in the goal for Minden.
Final score was Minden 4, Woodville 3.

Minden Midgets played in Minden Saturday, January 23 against Woodville.

First period: 1:53 Woodville scored short handed; 8:32 Greg Newell scored unassisted; 12:15 Woodville scored on power play while Minden was two men short.

Second period: 2:37 Woodville scored short handed; 6:18 Scot Hamilton scored unassisted.

Third period: 5:38 Tim Wood scored unassisted; 6:17 Woodville scored.

Final score was Woodville 4, Minden 3.

The team played again in Minden Sunday, January 24 against Bobcaygeon.

First period: 3:14 Jeff Stamp scored unassisted; 9:30 Harold Cowen scored from Scot Hamilton.

Second period: 4:06 Scot Hamilton scored from Wade Barry; 6:23 Tim Wood scored from Andrew Shapiera and David Schell short handed; 11:13 Bobcaygeon scored.

Third period: 5:19 Bobcaygeon scored short handed; 6:43 Jeff Stamp tallied from Greg Newell and Scot Hamilton; 11:32 Scot Hamilton connected from Tim Wood on a power play.

Brett Foster was in goal for Minden.
Final score was Minden 6, Bobcaygeon 2.

Upcoming Games

Thursday, January 28 - 8:00 p.m. - Fenelon Falls Bantams at Minden.

Saturday, January 30 - Novice tournament. 8:00 a.m. Minden vs Fenelon Falls; 9:00 a.m. - Beaverton vs All Saints (Peterborough); 10:00 a.m. Oakwood vs Bracebridge; 11:00 a.m. - Bowmanville vs South River.

Sunday, January 31 - Huskie game - 2:30 p.m.

Bowling team standings

Team standings and total pins to date in Wednesday afternoon mixed bowling are: Thunderbirds, 34, 62; Sky Larks, 32, 70; Pelicans, 28, 51; Miss Fits, 27, 60; Sky Sliders, 24, 58; and Sting Rays, 23, 55.

Top bowlers for the day were Freida Handy, 302 single and a 695 triple; Gord Bennet, 223, 203, 221 singles, 647 triple; and Ev Stata, 296 single, 592 triple.

Other games 200 and over were rolled by: Betty Bennet, 264; Muriel Peters, 250; Jackie Banks, 246, 204; Flo Henderson, 213; Mary Lou Bird, 208; Brenda Tilley, 200.

Bantams clinch league title

Three wins in week spell successful season for team

The Haliburton Bantams have now completed their schedule and have clinched the title with three wins during last week. They edged Beaverton 2 to 1 last Tuesday, beat Minden in a four point game 4 to 0 on Thursday, and finished off Fenelon Falls on Saturday 6 to 3 in their final game.

The Bantams, who were not expected to be as strong as they turned out to be, lost only one game during the regular schedule while tieing four. They captured three tournament championships and won the consolation trophy in another. The club is now waiting word as to who their opponents will be in the first playoff round. It appears that Beaverton, Cannington, Millbrook and Haliburton will be placed in the same category. Haliburton's home games are on Tuesday nights at 8:30 p.m. and the executive will be trying to schedule the playoff games on this night.

The Beaverton game last Tuesday night was a very rough affair and several of the

Minden seniors spiel held

by Tom Stinson

Last Friday Minden curling club was a hive of activity and some grand curling as the first annual Seniors' Bonspiel was held in the new rink. There was great sociability as old friends met in an all day competition. Jim Burton's rink with Garnet Campbell, Lorne Coburn and Milt Endicott came through with two big wins, scoring 30 points against 29 points for Bert McKauge from Woodville.

Fourteen rinks took part with two each from Haliburton, Woodville, Peterborough, Fenelon, Bobcaygeon, and four local rinks. Bobcaygeon rinks under skips Ken Comrie and Harold

Cont'd. page 12

Steamrollers top Misfits second

As of January 19, the Steamrollers of the Tuesday afternoon bowling league are still in first place with a total of 224½ points. The Misfits are now in second with 208½ points, the Troopers third with 202½ points, the Road Runners fourth with 201 points, the Bloopers fifth with 196½ points and the Dambusters in last place with 182 points.

Triples of 600 and over were rolled by Harry Henderson 618, Eleanor Young 630 and Roy Parnell 624.

Games of 200 and over were rolled by Eleanor Young 212 and 286, Jennie Riches 209, Nick Nimigon, 210 and 212, Loretta Henderson 202, Bill Mighton 219, Peggy Bassett 213, Harry Henderson 231, Virna Wagg 208, Millie Bosket 205 and 211, Ruby Mighton 205, Mary Orpano 216, Gloria Nimigon 204, Roy Parnell 211, 212 and 201 and Gladys Wruth 202.

Loretta Henderson and Ruby Francis came up with fourth prize in the high-low doubles competition against the other leagues who bowl at Carnarvon Lanes.

Whipper Watson's SNOWARAMA

THE MILLION DOLLAR RIDE

ALL NEW TRAILS FOR 1982

for Timmy

SATURDAY, FEBRUARY 6, 1982

WHIPPER WATSON'S SNOWARAMA FOR TIMMY
All proceeds go to the
Easter Seal Society
to be used for the rehabilitation of
physically disabled children in Ontario.

The Rotary Clubs of Haliburton and Minden are once again sponsoring the Snowarama Ride for Timmy.

This most worthwhile cause provides ongoing funds for the work of the Easter Seal Society in the assistance of disabled children in Ontario.

The ride will be about fifty miles and takes about two to three hours to complete.

This is an opportunity to enjoy a challenging ride on well groomed trails while at the same time assist in one of the most positive programs for those least able to assist themselves.

The ride will be held on FEBRUARY 6, 1982
Riders will leave:
Haliburton High School
[Haliburton Village]
from 8:00 o'clock A.M. to
10:00 o'clock A.M.

Registration must be made at the above location at the above times in order to certify your ride. Fuel and refreshments provided without charge.

Riders may pick up Pledge Sheets at local Retail Stores.

Even if you can't ride, you can help by supporting a rider you know or phone in a pledge to:
Raymond Selbie
457-2435

No unlicensed drivers allowed on the ride.

Happy Gang News

By Watson Anderson

The deep freeze continues but unless we choose to, there is no need whatever for any of us to venture forth. Even 20 years ago such accomodation was very rare for senior and handicapped persons. One facet of this service that is most appreciated is cleanliness. That alone contributes more than many realize to their relatively good health. Realizing that lack of exercise and activity, if unwarranted, does not lead to happiness, Ivy Shaw, our activities director, and Kathy Carey, a helper, puts everyone through their paces at regular times as 'fun and fitness'! One period for example, was Monday morning and the result, as one would expect, is that you will find none of us groggy.

In the afternoon tables were set up for the playing of crokinole, a game that we do not hear very much about, probably having been eclipsed in watching TV. It is played by shooting checker discs with ring or middle finger against the thumb. When we were boys and girls championships were quite popular in Ontario. The Happy Gang are sadly out of practice and few notable scores were made.

June Devolin has managed to resume guiding us in bible study Tuesday mornings. Discussion centered on the Christian concept of the word love, the most magnificent of all the emotions, that can turn aside anything that is not good.

In the afternoon was bingo, presided over by our two very reliable volunteers, Betty Wise and Helen Archer. Ray Smith did all the calling. The other day we were reading a learned article on stress, presumably one of the most common conditions of human experience. Stress is akin to boredom. To work for wages doing things one enjoys doing contributes to happiness, but there are many things, the intangibles, that do not imply wages but are equally satisfying. The volunteer movement on the part of those who do not need pay. For example, dispells boredom and stress better than any other activity. Are not idleness and boredom nearly synonymous? We do appreciate the efforts of any volunteers who help.

Wednesday's baking has become a specialty: Apple cinnamon, and pineapple carrot muffins, also a batch of meat balls were made and in exchange we get paid by a friend of the Gang.

Another birthday party is arriving Thursday and to be ready they also made another beautiful spice cake which we hope tastes as nice as it looks.

All mothers are exalted and Margaret Trudeau is no exception. There are three boys that are assured that 'Mum' is tops. Does anything else really matter?

There was an item in the current 'Echo' that we thought was trite that concerned the lack of grooming of ski trails. We seem to be always harping on the need to groom the bush to prevent forest fires. Some say the cost would be prohibitive but it is a domestic cost much of which would return to the government in taxes. How much area could a man with a family, a neat cabin, a horse, and other domestic animals, or bees, for the children's enjoyment, take care of properly? It would spread a lot of happiness and would prevent disastrous fires. Each 'spread' would go with the job because with the present economy no young fellow starting could afford to own it; only governments of Canada can.

The much anticipated birthday party came with delightful Marilyn Stouffer as cheerleader and Jan Shipley as pianist, an excellent duet. The guests were ARC Industries, Miriam and Rob, who joined in singing. The celebrants were: Stewart Roberts, Alice Hartle, Charlie Rumbelow, Flora Walling and Violet Lytle. The program consisted of the singing of the old favourites, numbers that no one seems to tire of. Then came the cake, with whipped cream topping that was delicious. There was only enough to go round once. After the 'Happy birthdays' were sung five more gangers chalked up another year. It reminds us of that familiar cliche that you cannot teach an old dog new tricks but we all keep trying.

Devotion period Friday morning was led by Rev. Rick Brewster, pastor of Allsaw Pentecostal Church at Allsaw. Marjorie Reddick was the pianist, accompanying two vocalists, Marta Vanareval and Elsie McPhail whose melodious voices dominated the spirituals. The theme was taken from Psalm 42 where David, the psalmist, whose life was in continuous jeopardy, found himself with very few trusty friends, a consequence of his faithful devotion to God in whom he had a complete trust and in whom we all can have complete trust.

There were three movies in the afternoon; 1. Blue Birds of Happiness, showed one person's continuing efforts to provide living quarters (bird houses) to the cheerful creatures. 2. Cape Breton Island, a very beautiful part of Canada, the natives of which are exceedingly friendly. In scenic splendor this island is 'tops'. 3. Mic Mac scale baskets that showed the construction of those sturdy market baskets, from a bowl of black ash.

Flea market seems to be a good name for it; here today and gone tomorrow, but which ever it would appear that the Royal Canadian Legion have 'donated' their splendid auditorium to this whole northern Haliburton county area to any groups who have the itch to venture sale of any items they have around, too good to throw away and of no use to keep. The Happy Gang had a table there on Saturday, manned by Ivy Shaw, the supervisor, Alice Hartle, John Sisson, Allan Macklin, and a couple of lads, Jason and Justin Richards, sons of cheerful Cecil whom everyone knows here on the staff. Those Happy Gangers who sold the fleas had much more enjoyment than those staying in the comfort of this fortress.

Senior League

by Bert Harrison

Doris is back with us again, with a dimple in her cheek. She has been on holidays for a couple of weeks. Her Dad is teaching her to "call off" for a square dance competition. We're kind of hoping she will win for she is in good condition. Her sister Linda filled in for her while she has been away. Now here's a gal who plans every move, and really makes it pay.

Rev. Burgess held services in our chapel Sunday night. Harold Thompson read the lesson from the 22nd chapter of Luke, and offered prayer. Rev. Burgess spoke on Christ praying in the Garden of Gethsemaney, a lovely service. Mrs. Thompson played and sang. She has a lovely voice.

We welcome Mrs. Edith Welch to our pleasant home, where we fare the best, and never more need roam.

A word about our Mrs. Eastman. We are so sorry she can't see, but she is knitting afghans, as lovely as can be.

We were sorry to hear that Mr. Brubacher is in hospital in intensive care, from a heart attack. We sure hope he'll soon be well again and no longer have to be there.

We watched movies Monday night. "The Loons Necklace" and "The Legend of the Raven". It was good to see these birds behaviour.

Tuesday morning Mr. Miller held service here. He spoke of Jesus and priorities. It was a lovely service and we thank him for coming.

We are sorry that Mrs. Ellen Johnson fell and broke her arm. Cheer up, Ellen, be glad it wasn't a hip. We hope to see you back among us real soon.

Ted Carr spent Monday night with Doris and Russel Robertson, in their lovely home. Ted's a quiet sort of guy, but sometimes likes to roam.

Tuesday night the Watson-Smith trio came as they often did before, played some lovely music for us, and still we asked for more.

We have a toe-tapping record, taped by Marjorie Swanton, for Fun and Fitness. Something like we've been wanting. They say she loves old time music, and has her own band. If they would come and play for us, it really would be grand.

Wednesday night was games night once more. We played different games, as we often did before.

Thursday afternoon was party time here at Hyland Crest. The ladies were from Lutterworth Estates, and really did their best. They brought sandwiches, cake and cookies served with a good cup of tea. They did it all so willingly and were jolly as could be.

It is sing-song time again this Friday afternoon. Mrs. Cobourn and Mr. Ballard came to play some merry tunes. Mrs. Cobourn read a couple of humorous poems, which we enjoyed very much. Thank you for coming.

We never know how very much,
A bit of love can do
For as we cheer each other's hearts
Our own gets lighter too.
Until next time.

Frostbite recognized by early signs

In weather like this, you don't have to be out skiing or snowmobiling to risk frostbite. If it is cold enough it may nip you while you are doing errands or shovelling the snow.

St. John Ambulance first aid experts say frostbite is easily recognizable as the skin becomes waxy white and numb. Warm the area gradually by body heat. If your face or ear is affected, cover the frozen area with a gloved hand until normal color and feeling return.

For frozen fingers or toes, remove tight boots or gloves. A good way to thaw your hand is to place it inside your clothing under your armpit. Feet may be wrapped in a warm blanket or snuggled under a companion's jacket.

Don't rub with snow and don't rub. Where blisters occur, they should be covered lightly with a sterile dressing and bandaged carefully. Under no circumstances should the blister be broken.

If frostbite is severe, see a doctor immediately.

If you're going to be out for any length of time, dress for it. Wear a face mask. Wear warm clothes that breathe, that let air circulate. Don't wear tight clothes that will cut off circulation.

If you're going skiing, snowmobiling, ice fishing, take extra clothes with you. The weather may get colder as the day goes on. And don't go too far by yourself. If you have an accident, you may need someone to help.

If you're travelling long distances in your car, tuck a few winter supplies. Carry blankets or sleeping bags. Have matches, a flashlight and chocolate bars. Carry sand and a shovel.

And carry a first aid kit.

Outdoors not to be littered by people enjoying activities

At this time of year many people are enjoying out-of-doors winter activities such as ice fishing, snowmobiling, cross-country skiing or even tobogganning and ice skating.

Whatever the activity, it is always a pleasure to find recreation areas unspoiled. Unfortunately this is not always the case. Favourite spots are too often found littered with lunch refuse, pop and beer bottles or tins, and other garbage. Each season many sites must be cleaned up by other concerned persons, or in many cases, by staff from the Ministry of Natural Resources.

How many times have you seen where thoughtless persons have left garbage and debris along your favourite trail or around your favourite ice-fishing spot, and muttered to yourself, "there ought to be a law"? Take heart! There is a law and if violators are caught, they can be prosecuted.

DISTRICT NEWS

Chatting with Irene

by Irene Moore

In younger years, I recall how joy-filled each winter was, how time would hardly keep until the skates, snowshoes, toboggans and the sleds came out in force, to enjoy winter days. Years do make a difference; now I like to see the snow outside the window panes, and do dislike to go where I can feel its cutting cold around my face. Kids think grownups know an awful lot, but they say we do not know the feel of a brass rail glued to the tongue in below zero weather. Well I can tell them that a lot of us do, only then it was a pump handle or something of the same nature. We were all kids once.

Birthdays at Hyland Crest Home for the month of February are: Ellen Johnston, 1st; Mary Langdon, 2nd; Margaret Gainforth, 4th; Ellen Knight, 6th; Christena Precor, 17th; Bert Harrison, 23rd.

Oops - Plastic dish and china platter - depend on me to drop the latter.

Don't forget the community shower being held at the United Church Hall at 7:30 p.m., on Wednesday, February 3, for Fred and Bess Cox. Everyone is welcome, and I'm sure they will appreciate all the help you can give them.

We were all sorry to hear that Amos Brubacher had a severe heart attack shortly after moving to his new home, but he is improving now. Just to let him know he is not forgotten, how about a card? The address is Apt. 306, 601 Duke St., Cambridge, Ontario. N3H 3T4.

There will be a craft display and sale on Saturday, January 30, at St. Paul's Parish Hall from 11 a.m. until 3 p.m. The Thrift Shop will be open on the 30th, the same hours as the craft sale.

This will be the last Thursday that the Minden Nursery Play School will be holding their skating parties from 2 p.m. to 3 p.m. at the arena.

Salt on streets and walks can be destructive to good leather shoes and boots. To remove those ugly white stains, clean promptly with a solution of one tablespoon baking soda to one cup warm water. Dry slowly away from heat and repolish with paste wax.

The Minden Agriculture meeting held last week was very successful, and Pres. Wayne Cox hopes to hold a number of regular meetings during the year. Only a few chairmen are still to be appointed, things are looking good, and it is hoped to have the next regular meeting the week after the convention.

With all this snow now is the time to make the kids some snow candy. It is easy to make and they love it. Put two cups of white sugar in a cast iron fry pan, melt it very slowly over low heat, stirring all the time. Before you start on the candy, take a cake pan and pack with snow, making sure the snow is firmly packed until hard. Leave out in the cold while you melt the

Dorset News

by Phyllis Briscoe

"I'll believe in truth in labeling when a housewife can buy a package of meat labeled "It's Tough."

We would like to send best wishes to Doveina MacKay who spent several days in Bracebridge Hospital. We hope she is feeling better and will be on top of the world in the near future.

The snow machines are last using the lake to travel on and we're sure they checked to make sure it is safe. I haven't seen them travelling at night as yet but any time now I guess. It is so nice to see the lights coming across the lake like the shining eyes of some large animals.

It's nice to see John Clayton back at his place of business after his sojourn to Spain. John was away for seven weeks and reports an interesting time sight seeing and enjoying the mild climate.

The Dorset Seniors are happy to report that the Lapidary grant that they applied for has been approved. This is a New Horizons grant and will not actually materialize until April 1, but they know that it is coming and can plan accordingly.

Welcome home to Mildred and Ron Richardson who spent the month of December and the first part of January at their residence in St. Petes Fla. They say the weather was chilly at times, but no snow to shovel.

We are happy to see that a former Dorset resident has published a book called "Kittens for Love". Lois Morrow (nee Field) lived in Dorset during her childhood and early life and attended school here. We congratulate her on her accomplishment and wish her the best of luck in the future.

Please don't forget the Community Club dance on Saturday 30 at the Centre.

For those who attend the foot clinic the date from now on will be the third Wednesday morning in the month instead of the first Tuesday. The February clinic will be on Wednesday, February 17.

H.H. Another use for your hair dryer in this cold weather, if you car won't start try blowing hot air on the carburetor from your hair dryer. They tell me it works.

We send our best wishes to Lloyd Green who is a patient in Huntsville Hospital and our thoughts go out to his wife Polly during this trying time.

If you are a tropical fish buff and have any that you wish to dispose of you might try calling the Dorset Elementary school. They are attempting to provide an Aquarium for the children's interest, so they will have something live to help take care of. Fish are expensive to buy at the Pet Shop, so any donations would be welcome.

Wilberforce News

by J.M. Barker

Granted we did have a couple of beautiful, bright days squeezed in there in the middle of the week, but wasn't Saturday a great day to be cozily inside looking out? Visibility was reduced to almost nil in places and judging from the number of skidoos whizzing around town, people adapted their travelling to the weather conditions.

One cancellation due to the poor driving was the second game of the Tri-County playoffs on Saturday night. Our Inter-City team suffered a 10 to 4 loss to Whitefield Hardware the previous evening so the delay may give them a chance to plan their comeback. A new date hasn't as yet been rescheduled, so keep an eye out for postings.

It's always heart-warming to hear of a couple's long, happy years spent together in marriage. Such was the feeling when the Senior Citizens Club honoured Mr. and Mrs. Fred Broad a week ago Tuesday with the presentation of a lovely cup and saucer commemorating their 50th anniversary. May your future years be just as joyful!

Just to disprove the oft-heard lament that "all we ever read is the bad news", here are three positive items to offset the National: First, our Volunteer Fire Department reports happily, a dull week in the area. If interesting equates tragic, give me the boring any day! And from Martin's Lumber Company in Harcourt the call came to return to work on Monday past, to the employees who had been laid off. Business is apparently still quite slow, a condition reflected by most industries across the province this time of the year. And last, but certainly not least comes news of the happy arrival of a 7 lb., 10½ oz. daughter to the Olszewski family. Melissa Ann Marie made her entrance on Tuesday, February 19 at the Bancroft Red Cross Hospital. Jo-Ann and Bernie say she'll be down cheering on her favorite hockey team in real short order. Congratulations!

See, it ain't all bad - eat your heart out, Knowlton!

Many factors contribute to the growth of a community; industry that provides jobs, businesses that service the inhabitants, and of course the ambition and character of the residents. Probably more than our spiritually-deficient

Wilberforce News

from page 9

society is aware of today, the churches of the early days were important, integral participants in the struggle to settle this area. Socially and spiritually they were a rock of support to the people, a foundation though still firm, that we sadly seem to often bypass in the building of our lives in 1982. St. Margaret's Anglican Church began its life as a bunkhouse that was located between the houses of Mrs. Charlie Bowen, and Mr. Bert Francis. During the early 1900's it was moved by John Holmes with a team of horses to its present site. He had brought his family here from the Ottawa Valley about 1904, and much of the northern part of the village sits today on what was once the Holmes Farm. Two sons, Len and Les, still live in Wilberforce.

On January 12, 1982, Blanche Stephenson Couperthwait (Givens) passed away at a Scarborough Nursing Home. Her family once lived on the Mawby property on Sunset Cottage Road, and the muddy section along the old highway was known as Stephenson's Springs. One sister, Muriel, lives in North Bay, while the other, Lyla, is previously deceased. Mrs. Couperthwait had lived in New York and Michigan before moving to Scarborough. Before she left this area she married Reg Givens and theirs was the first marriage to take place in St. Margaret's Church. Rev. G. D. Stone was the officiating minister, and we're told that Mrs. Johnny Holmes decorated the church with some of her house plants for the occasion. Since that day many wedding vows have been exchanged there, many babies have been baptized into God's family, many have grieved the parting from loved ones. A stabilizing link throughout the progression of many lives, this building has been, and how appropriate; from bunkhouse to church, stable to palace.

The number of trails made available by the Paudash Trail Blazers has increased this year with the opening of a route from Tory Hill to Wilberforce. That makes the miles of groomed trails total about 150, and once the section between Tory Hill and Gooderham is open, you could start out in Fenelon Falls and end up in Pembroke. There are now about 140 registered members in the Club, and 300 machines which is an increase over the last year. Membership fees are very reasonable, and it's certainly a great way to enjoy the magnificent winter beauty.

Gooderham News

Visitors at the home of Mr. and Mrs. Dallyn Pickens for the holiday season were Miss Dale Russell, Miss Karen McCann and Dallyn Pickens Jr. of Johannesburg and Michael Williams of Capetown. En route they spent 36 hours in Iceland where thev

Cont'd. page 14

Kinmount Korner

by Millie Moss

Saturday, January 16, Bill Lilley of Norland walked into the Kinmount Legion to the surprise of his life, a birthday party, beautiful sing song, two birthday cakes, one made by June Grozelle of Kinmount and the other by Wayne and Carol Smith of Toronto who were week-end guests at the home of Bill and his wife Dora. This cake was in the shape of a 75. A purse of money was also presented to Bill at the Legion. Cards seem to be pouring in and on Sunday phone calls were received from folks he used to work with in Toronto and calls from Ottawa. Mr. and Mrs. Gordon Taylor of Norland along with their own guest at that time, Kay Allen, of Lindsay, dropped by to give further congratulations. Bill and Dora were both overcome and Bill wishes to thank everyone who gave him such a very happy week-end. Every minute of it was thoroughly enjoyed and his birthday wasn't until Tuesday. It's not every day a fella turns 75 Bill. Happy days ahead.

John Wick of Coboconk won $30.50 on the Kinmount Legion 50/50 draw Saturday, January 16.

The Norland Firefighters Hockey Pool winner was John Magee.

I hope to hear Verlie Young is better soon. Verlie took ill in church and had to be taken home last Sunday. Luckily we had the right people there to take care of Verlie, a mother and son team, nurse and policeman, Jean and Kelly Anderson.

Don't forget to bring your dishes and utensils and "whatever you will" towards the Kinmount District Horticultural Society, annual pot luck dinner and meeting on Thursday, January 28 starting at 6 p.m. at the Kinmount Canadian Legion Hall. There will also be a penny table and all donations towards this end will be gratefully appreciated. They can be left with Mary Hartin Sr., Norma Hamilton or any other member. If you'd like to become a member of our Society give the above mentioned ladies a call or any one of us and we'll be glad to accept you as a new member. It is fun and interesting.

A very small key attached to a green tab has been found on Main St. and can be picked up at the Post Office.

The area was saddened at the sudden passing of Michael Schlosser in his 71st year, on Sunday, January 17, in Haliburton. Sympathy goes out to his wife Florence, son Jim of Minden, grandchildren Donald and Leanne, several brothers and sisters. Funeral service was held at Monk Funeral Home in Minden on Wednesday, January 20 at 1:30 p.m. followed by cremation.

There were some bruises and stiffness obtained Wednesday, January 20, at the Kinmount arena but a good time by all when Daniels and Sons Signs downed the Kinmount Firefighters Broomball team.

Results of the Galway Euchre party Wednesday, January 20 were: ladies' high: Ida Young, ladies' low: Flo Drinkle, men's high: Robert Allen, men's low: Jim Nightingale and most lone hands: Leon Wright.

Mark your calendar with this date: Saturday, February 3, from 8 p.m. to 1 p.m., at the Galway Hall for the Firefighters' Valentine Dance. Admission $4 each, includes refreshments. It should be a fun evening.

Ida Young, our rural post delivery person would like to say a hearty "thank you" to all you very thoughtful folks who are making her job so much easier by keeping your mail boxes so nicely cleared of snow. It's sure appreciated

Cont'd. page 14

Chatting with Irene

from page 9

sugar, bring snow in and pour the melted sugar over the top. Sugar will harden instantly and tastes much like taffy.

The Minden Figure Skating Club are once again having their now famous pancake breakfast in the arena auditorium, this weekend, January 31. Breakfast starts at 9 a.m. and will continue until noon. Just thing a nice hot meal - sausages, pancakes and "real" maple syrup. My mouth waters just writing about it.

Winners at the Mini Card Party last week were: Crib-bage - Joyce Hewitt, Vera Ward; Euchre - Lone hands, Ethel Leigh (on a cut), Nancy Moore, Dora Dawson.

Ignorance is bliss; lead is glazed on dishes and there's mercury in fishes, plus deadly air and smoke that doesn't show; it's nothing to ignore, but I think I liked it more when I absorbed the stuff and didn't know.

Minden Women's Institute held their January meeting at St. Paul's Parish Hall with 20 members and one visitor present. Mrs. Clare Brown, president, conducted the meeting. Card convenor reported sending 52 cards since December meeting. A letter regarding a workshop was held over until the February meeting. After the collections were taken for cards and pennies for friendship, a number of projects were discussed. Every member is to turn in one dollar in place of an auction. This money goes towards the expenses of the FWIO conference in British Columbia. Mrs. S. Briggs offered to make the quilt block for Erland Lee project. An article worth $3 is to go to the district directors meeting with Mrs. L. Cox in February.

Replacement hostess for February is Mrs. A. Kernohan and for March Mrs. Brown. Mrs. M.J. O'Neill gave a very interesting current event report of 1981, reminding us of the many things that had happened in our town over the past year. Congratulations were extended to Mr. and Mrs. Lloyd Sedgwick who celebrated their 50th wedding anniversary on January 23. After announcing that the next meeting would be on February 17 at 2 p.m. in the Common Room, the meeting was adjourned and lunch was served by the committee.

See you at the Carnival, and dress warm.

Adios and take care now.

Guilford Pulse Beat

by Bill Wood

This column will be the news gatherings for all the Guilford area. I hope to hear from the folks from Haliburton and Eagle Lake, Kennisis and Redstone Lake area, and the West Guilford area. Like the pulse beat of the heart, which carries life blood to every part of the body, so will this weekly column carry the reports and news of all the above areas.

However, without an input of news, there can be no output and therefore, this article will perish like a living being deprived of their heart beat. Do you have any news, happenings, household hints, or gripes you would like to see recorded in the Haliburton County Echo? Call this reporter at 754-2854. This is the only way I can service the area with a weekly report.

Calvin Sisson, a life-long resident of West Guilford, died Tuesday, January 19 at the age of 71. He entered into rest at the Minden Red Cross Hospital. He had been ill for quite some time. Calvin was a very well like individual in the area, and will be sadly missed by his many relatives and friends. My deepest sympathy goes out to all of Calvin's family.

The West Guilford Recreation Centre will be open Thursday, January 28 from 7:30 p.m. to 9:30 p.m., to receive donated articles that might be of use to Norm and Jean Barry. This unfortunate couple lost their house, furniture, and clothing to a fire January 11. I understand the fire destroyed everything quickly. Thank the Lord there was no one home at the time to be trapped in the blaze.

Greg Cooper is still on sick leave from his post at the West Guilford Shopping Center. His employee, Mrs. Doris LaPorte, told me Greg is scheduled for more tests in Toronto at the end of the month. Hopefully, the tests will allow him to return to work. We all miss his smiling face and helpful manner. Get well soon, Greg.

In closing this week's column, may I ask you all again to contribute any newsworthy items for my next weekly report in The Guilford Pulse Beat??

God Bless, take care, and have a nice week until then. Phone 754-2854.

Snowdon Supporters News

The January 11 meeting was held at the home of Jean and Stan Farrell. While it was an extremely cold night outside, the camaraderie inside was warm, and we thank Jean for the use of her home.

A Valentine's Dance will be held Saturday, February 13 at 8 p.m. at Gelert Gardens. A limited number of tickets are available, and can be purchased from Lochlin Store, Gelert Gardens, Hancock's Store and from Fred Simmons.

Some ski trails have been closed, most notably the trail from the proposed Community Park through to South Lake. Please note that this trail is open part way from the South Lake entrance.

Due to unforseen circumstances, we are now endeavoring to change our trail system so it will open traverse unopened township roads and our Community Park Land. The crossing of private lands has proven to be undesirable. To replace the distances lost due to this change, new trail circuits are cut within the boundaries of the park site. These should be groomed and ready for use by the time of this printing.

It is apparent, due to the problems we have encountered, that we still have much to learn regarding ski-trails, and park planning. We hope you will bear with us as we grow and perhaps come out to our meetings to help us in our project planning.

The next meeting will be at Silver Birches Resort on South Lake, Monday, February 8. This will be a pot luck supper at 6 p.m. followed by our business meeting. All members and their families are encouraged to attend and any other interested persons willing to help the cause are also invited.

Don't forget to get your dance tickets early as many were disappointed last time.

Dorset News

from page 9

Centre Board are holding their kick-off fund raising event of the year with a dance at the Centre on January 30 at 9 p.m. The music will be by Jeff Avery and the cost is $5 per person. Advance tickets are available at the Dorset Garage. There will also be tickets at the door. So come out for a good time and support the cause.

The Board is also having a 50-50 draw each month with tickets available from local places of business as well as Board members, which include Brian Hughes, Marie Warkentin, John Walker, Ron Payne and Joyce McKey. The January draw will be made at the above mentioned dance. All groups are beholding to the Community Centre building for events they wish to have: dances, bazaars, banquets, wedding receptions, etc. so we should all get behind the effort to raise funds for the new building as the usable life of the present building is an unknown quantity. So let's make this first effort a huge success and show that we are interested in our Community Centre.

And who said that we hadn't had any periods of severe weather? With two blizzard-like week-ends in a row, with very low temperatures to boot and more to come being promised by the weather forecaster, it's enough to make anyone wish they were in a warmer climate or just curl up by the fire with a good book and not look out the window. However, if one has obligations it's difficult to get away with either. And the argument that Canadians love winter is questionable. I think that some do and some don't.

H.H. Did you know that dental floss has other uses than cleaning your teeth? It's great for sewing buttons on children's clothes, restringing beads or for tying up parcels. It is very, very strong.

Trent Severn

A construction contract worth $620,001.60 has been awarded to Gaffney Quebec Limited of Stratford, Ontario, for the refacing of concrete pier boxes and timber cribs and to reconstruct pedestrian walkways at the entrance to the Murray Canal, on the Trent-Severn Waterway. The design was carried out by the firm of Greer Galloway and Associates, Consulting Engineers of Peterborough, Ontario.

The piers have deteriorated over their 90 years of usage and now require major repairs. They are a favourite and heavily used recreation site for fishermen. They are also as boating tie-ups by local residents. Provisions to permit the handicapped to use the facility have been included in the design of the walkway.

Trent-Severn Waterway Superintendent, Jim Vollmershausen, said that the work is scheduled to begin early in the New Year, with completion in late March.

Seniors host Minden spiel

from page 7

McKluan won high singles as did Peterborough under Ken Chambers.

Activity got under way sharply at 9 a.m. finishing up at 5:30. Excellent curling and close scores indicated the district is blessed with some fine curlers still enjoying this great old game.

Lunch was provided by club ladies under the supervision of Mrs. Stan Blears.

Walter Webb and Les Walling brought in rinks from Haliburton's senior club, and Minden's other skips were Ed Pettinger, Hal Burton, and Cec Yearwood. Bill Weaver from Fenelon was back in action after being ill for the early part of this season - causing him to miss participation in OCA events in which he was many times a winner.

Earlier in the week, rinks from Haliburton and Minden took part in Peterborough's big senior spiel - missing out on prize money but again turning in some fine curling and close finishes.

The senior club in Haliburton is mixed with just about equal ladies and men, and growing fast. The club is planning their annual district 'spiel late in February with a mixed 'spiel not often seen in senior circles. It is an experiment the groups think will prove popular.

Minden's senior club has an active sr. men's membership of over 100, plus many social members who help out on a voluntary basis in the chores required around a curling rink. Begun over 12 years ago by such still active members as Art Hodginson, Sandy Stewart, Cec. Yearwood, and others, Ed Pettinger, Stan Blears, Herb Gill, Lorne Coburn and others are carrying on a fine tradition.

This club is also planning an active senior ladies section.

Conseil de la radiodiffusion et des télécommunications canadiennes

notice : decision

Decision CRTC 82-68, Cottager's Security and Service Ltd., Haliburton and Minden, Ont. (811721000, 812217800): pursuant to public notice CRTC 1981-89 dated 10 November, 1981, the CRTC announces that it approves the applications to amend the licences for the broadcasting receiving undertakings serving the communities noted above by increasing the maximum monthly subscriber fee from $6 to $8. The Commission considers that this fee increase is justified on economic grounds.

27 THANK YOU

We wish to thank everyone who helped us when on January 3 at 2 a.m., a fire burned down the house we rented from Ken and Madelaine Rowden. Thank you to the Township of Stanhope, all the neighbors, and others who came to our aid, Keith Rowden who helped Joe out from the burning house to safety, his wife Debbie, who looked after Suzanne in their home, Derek who gave up his room, bed and piggy bank. We came here 2 years ago to retire and you all made us feel not strangers or outsiders. Thank you and God bless you.
Joe and Suzanne Kalman
27-B-27

I would like to express my deep appreciation and thanks to all the friends and relatives for their calls, cards, prayers and parcels during my hospital stay.
Pleased to report I am home and feeling fine and will be out and around shortly.
Cliff Dawson
27-CA-27

Many thanks to all the most important people in my life, my family, friends, also to, Dr.'s, nurses, and ambulance driver. All the prayers, cards and visits while I was at Civic Hospital. To each and everyone of you it was really appreciated. God bless, also have a happy New Year.
Della Griffin
27-P-27

I would like to thank all our relatives, family, friends and neighbours for the kindness shown us in the loss of a dear son and brother Gordon Dale Gill. We thank all who sent flowers, brought food and money. Thanks to Rev. and Mrs. Sauve for their kind words. The lovely lunch served in the Pentecostal Church basement, also Ron Barr "Funeral Home", for his assistance.
Thank you all
Allan and Grace Gill
and families
27-P-27

28 BIRTHS

SIMIONI: Jack and Dawn are pleased to announce the safe arrival of their New Years baby boy, **Ryan Gregory**, born 8:21 a.m. Jan. 3, 1982 at Haliburton Red Cross, and weighing in at 9 lbs., 1/2 oz. Ryan is a baby brother for Thera. many thanks are extended to Dr. Hartwick and all the nursing staff at the Red Cross Hospital for their kind and expert care, and a special thank you to the hospital auxiliary for their thoughtfulness and lovely gift given to Ryan for being the first 1982 baby born in Haliburton.
28-P-27

31 DEATH NOTICES

AT REST

At the Ross Memorial Hospital, Lindsay on Tuesday, January 19, 1982
MARK [CALVIN] SISSON
In his 71st year.
Beloved husband of Phrona Ethel Barry; loving father of Dolores (Mrs. Carmen Lee) of Tory Hill, Elois (Mrs. Stan Somerville) of Oshawa, Sharon (Mrs. Bob Barnhart) of Carnarvon, Darol of Haliburton, Russell of Kennisis Lake, Zelda (Mrs. Murray Cooper) of Minden and Barrie of Oshawa; loving grandfather of 16 grandchildren; dear brother of Ina, Ida, May, Vivian, Brant, Carl, Max, Ray, Don, Holly, and predeceased by Andy.
Funeral Service
Rested at the Gordon A. Monk Funeral Home, Minden, after 2:00 p.m. Thursday for complete funeral service and committal in the Chapel on Friday, January 22, at 2:00 p.m. Spring interment at St. Peter's Cemetery, Maple Lake. 31-CA-27

32 IN MEMORIAM

SMITH - In loving memory of my dear brother, Dale, who passed away January 27, 1980.
It's been two years ago today
Since my brother went away.
He's missed the things I hope to see
I wish he was here, again with me.
I miss him more each day, each year,
And I know I'll never hold him near.
But in my heart he will stay,
Until it's my turn to go away.
Loved and deeply missed by sister Laureen and freind Bill. 32-P-27

SMITH - In loving memory of our dear son Dale who passed away suddenly January 27, 1980.
Another hour, another day, another year's gone by,
We still can't answer this question, why did you have to die?
Anothe hour, another day, another year it's true,
But it still feels like yesterday, our family included you.
Yes hours turn into days, days turn into years,
It will take a lot more time, to lessen all our tears.

You will always be a part of us, as we carry on day by day,
Dale within our hearts and minds, forever you will stay.
Lovingly remembered and sadly missed by Mom and Dad. 32-P-27

SMITH - In loving memory of a dear husband and father Dale who left us suddenly on January 27, 1980.
Many things have happened,
Since you were called away.
So many things to share with you,
Had you been left to stay.
Every day in some small way
Memories of you come my way
Though absent you are ever near
Still missed, loved, always dear.
Sadly missed, always loved and remembered by wife Christine, son Kenny, and daughter Michelle. 32-P-27

SMITH - In loving memory of my dear brother Dale who passed away January 27, 1980.
The blow was great, the shock severe,
We little thought the end was near.
And only those who lost can tell,
The pain of parting without farewell.
More each day we miss you brother,
Friends may think the wound is healed.
But little they know the sorrow,
That lies within our hearts concealed.
Forever loved and always remembered, brother Carmen. 32-P-27

33 NOTICE TO CREDITORS

IN THE MATTER OF BANKRUPTCY OF
HALEX DIAMOND DRILLING LIMITED,
of the Urban Community of Haliburton, in the District of Dysart, in the Province of Ontario.

Three wins end team's season

from page 7

Beaverton players became frustrated with the Haliburton checking, picking up 15 of the 23 penalties called in the game. Tran LaRue opened the scoring at 3:31 on a pretty passing play from LaPorte and Kuno. There were only three penalties called at this point.

Mike MacNaull blasted a shot past the Beaverton goalie at 7:20 of the second period, on passes from Ian Cooper and Mike Blake. Each team received three penalties. Beaverton notched their only goal of the game at the five minute mark, but the visitors lost control of themselves and took nine penalties which certainly did not help their chances. The coaches could not seem to keep their players under control and as a result they spent most of the period in the penalty box as time ran out.

Haliburton travelled to Minden on Thursday night and played a four point game which they won by a convincing 4 - 0. The game was very close, with no scoring until Tran LaRue scored at the midway mark of the second period. Paul Kuno received an assist on the breakaway. The score remained the same until MacNaull scored half way through the third unassisted, and then Paul Kuno from Mike MacInnes and Cory McKnight unassisted rounded out the scoring. Minden received seven of the 11 penalties. Vince Duchene recorded the shutout.

Haliburton rounded out the schedule in Fenelon Falls on Saturday night with another convincing win when they beat the home team 6 to 3. Although Fenelon is a larger center and play in a higher category during the playoffs, Haliburton were able to control most of the games against them this season. Fenelon opened the scoring early in the first period and that stood until the first minute of the second period when Crhis LaPorte scored from LaRue. Fenelon went ahead once again half way through the period but MacNaull tied the game on a nice passing play from LaRue. Haliburton jumped into the lead when MacNaull scored his second goal unassisted. Chris LaPorte gave Haliburton a two goal lead early in the third on a power play with assists going to MacNaull and Blake. Fenelon scored shortly after but Dennis McKee from LaRue and Cory McKnight unassisted gave Haliburton their last win of the schedule.

Haliburton will be playing Bracebridge an exhibition game Tuesday night to give themselves some added practice until the playoffs commence. Bancroft visited Haliburton a week ago and the game ended up tied at two. The club will be looking forward to the playoffs with the hopes of an Ontario Championship in their minds.

Gooderham News

did some sightseeing. They arrived in New York December 19. During their month's vacation in Canada, Michael and Dallyn spent a week in Thunder Bay visiting Mrs. Christina Harkness and family and doing some skiing. They will be leaving New York on January 22 to return to South Africa via London, England where they expect to spend some time.

Mike Collins is a patient in St. Joseph's Hospital, Peterborough, while Bruce Staley is in Haliburton Red Cross Hospital. We send sincere wishes for their recovery and return to their homes soon.

A very successful foot clinic was held last Thursday in the Community Centre. Praise was loud for the public health nurses, Mrs. Tallman and Mrs. Tyler who added to the comfort of those who attended since the feet play such a major part in one's over-all well-being. These free services are sponsored by the Haliburton, Kawartha, Pine Ridge District Health Unit.

A MESSAGE TO PARENTS REGARDING FLUORIDE SUPPLEMENTS

Fluoridation of the water supply reduces tooth decay by 66 per cent.
However, in our Health Unit Area, no municipal water supplies are fluoridated.
If children up to 14 years of age take daily fluoride supplements (tablets or drops), benefits equivalent to fluoridation can still be obtained.
(These benefits are in addition to those received from fluoride toothpastes, treatments and mouth-rinsing programs.)
To ensure your child is receiving the correct dosage, contact your physician, dentist, or Health Unit Dental Services for a prescription for Fluoride supplements.
Families with private wells should first obtain a free water test kit (for fluoride) from your local Health Unit office. Many wells in our area contain adequate natural fluoride.

Kinmount Korner

from page 10

on these very cold mornings.

Violet Cooke of Irondale, this past week, observed some eight deer in a field between her home and Kinmount and says it was a most beautiful thing to see.

The Seniors enjoy each Wednesday afternoon beginning at 12 noon, at the Gooderham Community Hall and I'm asked to extend a warm welcome to anyone interested in attending. A very tasty lunch and a fellowship in which euchre and bowling is enjoyed is quite a regular event. Ivan Hunter is the Seniors President in that area.

There were 13 teams in attendance on Saturday, January 16 for the Kinmount Dart Tournament held at the Kinmount Legion Hall. Winners were: Team play: Cannington, runners up: Omemee, doubles: Cannington, runners up: Omemee, singles: Cannington, Ted Budd, runner up: Terry O'Connell. Bad weather was the cause of a small crowd but a good time was had by all.

Delicious squares: 1 cup brown sugar, ½ cup butter, ½ cup milk, 1 cup graham wafer crumbs, 1 cup chopped nuts, 1 cup coconut, 8 maraschino cherries, 18 graham wafers, whole. In a saucepan combine sugar, butter, milk. Bring to boiling point, remove from heat, add crumbs, nuts, coconut, chopped cherries. Blend well. Arrange 9 crackers in bottom of 8" square pan and top with mixture, then remaining 9 crackers, press down slightly and ice with following icing. Icing: 2 tbsp. butter, 1 cup icing sugar, 1 tbsp. milk, ½ tsp. vanilla. When iced dribble ½ oz. unsweetened chocolate melted over top.

Try to stay warm and healthy 'til next we meet. 488-2399.
